

Bad Luck?

Checking Ideas Out for Yourself

SNAP

OWW!

THUD

What was that?!

An apple hit me?

Why did that happen?

WOAH!

Ooff...

First an apple lands on my head...

...and now I trip in a hole!

Why are so many bad things happening?

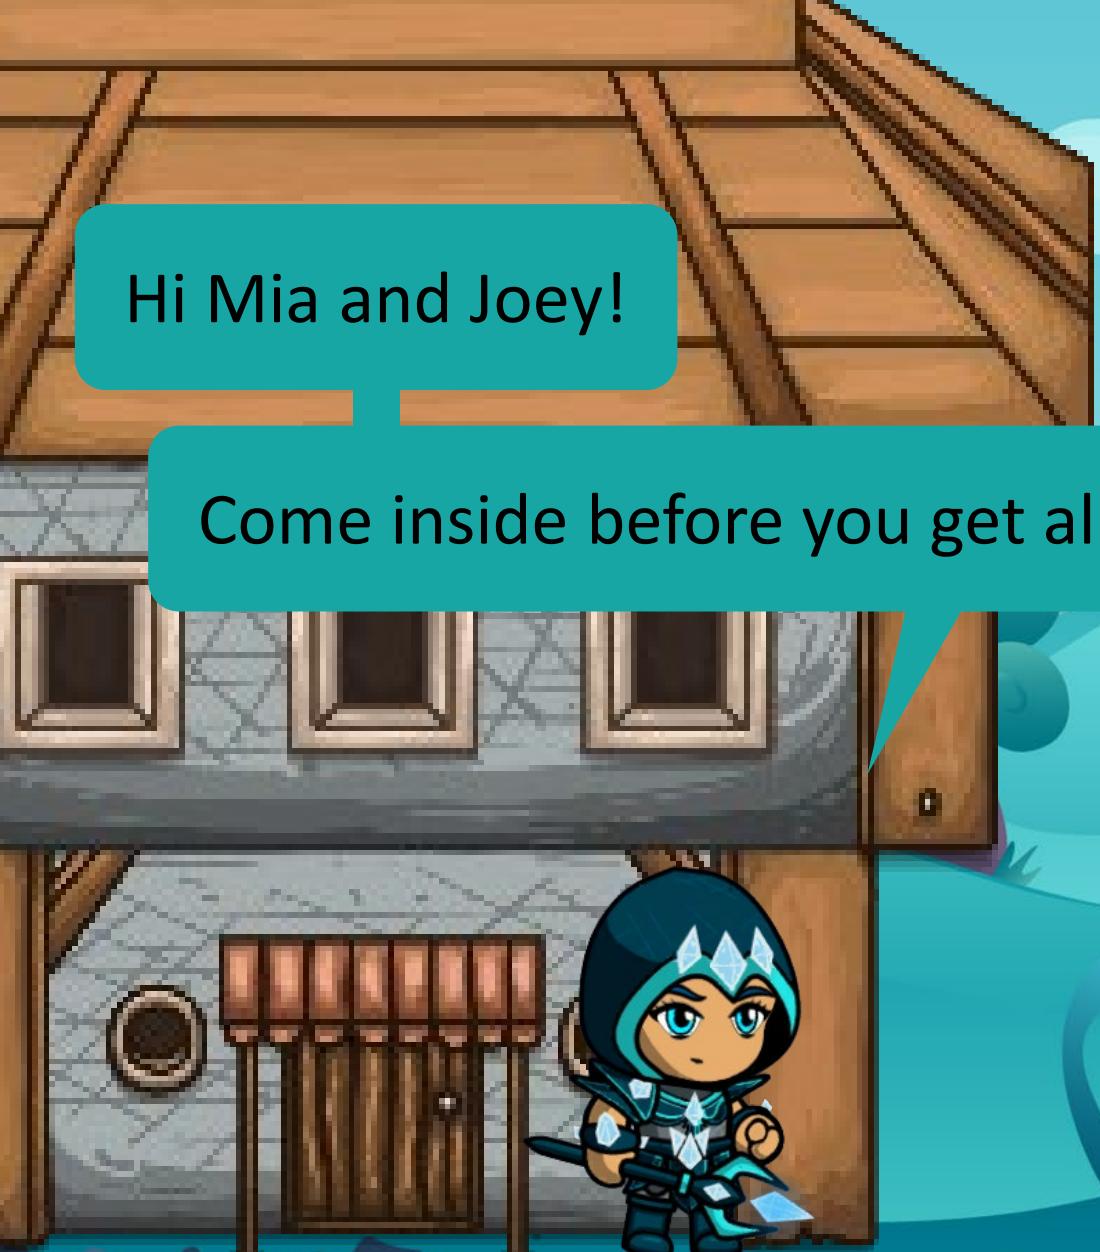

And now its starting to rain...

What a day!

Hi Mia and Joey!

Come inside before you get all wet!

Thanks Lily!

What a day it has been!

First an apple fell on my head.

Then I tripped in a hole, and then it started raining!

Well I noticed Joey was walking in front of you...

That's probably why you had such a rough day.

Huh?

What does Joey have to do with any of that?

Letting a dog walk in front of
you brings bad luck, of course!

Bad luck?

What is that?

When you have bad luck, bad things will probably happen to you.

There are lots of things that bring bad luck.

Really?

Like what?

Letting a dog walk in front of you, spilling sugar, or stepping on the shadow of a tree bring terrible luck.

But dumping a little sugar on
your head brings good luck.

Bad things will never happen as long as you have good luck.

But terrible things can happen if
you have bad luck.

Wow, I never knew that.

Thanks so much!

I have to tell Kate and Tom!

STOP JOEY!

You can't walk in front of me or we'll have bad luck!

Kate and Tom!

I learned some very important things from Lily!

Letting a dog walk in front of you, stepping on the shadow of a tree, and spilling sugar bring bad luck!

If you do any of those, terrible things can happen!

But dumping sugar on your head brings good luck!

Why would spilling sugar make something bad happen?

Hmm... Yeah...

Are you sure about this?

Of course, I'm sure!

You know how smart Lily is!

She couldn't just be wrong!

I'm not so sure about that...

Maybe you should check it out for
yourself instead of just believing it...

Maybe test if those things actually
make bad stuff happen...

Looks like Mia has a decision to make.

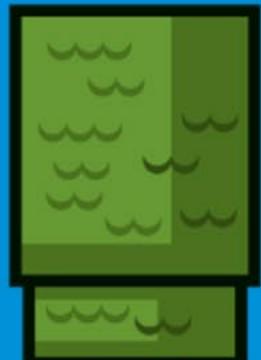

Stop and Think About Each Choice:

What good things might happen? What bad things might happen?

Oh no!

A tree shadow!

Let's test if spilling sugar really
brings bad luck...

A tree shadow!

Let's test if spilling sugar really
brings bad luck...

Shake, shake, shake...

Nah, I don't need to check it out...

What Lily said must be true...

A cartoon-style illustration of a forest setting. In the background, there's a large wooden cabin with a brown roof and a circular window. Three characters are standing in front of the cabin: a small blue dog-like creature on the left, a character with spiky brown hair and a red and white striped outfit in the center, and two characters wearing cowboy hats and brown clothing on the right. The sky is light green with white clouds.

Well we are going on a hike.

Want to come with?

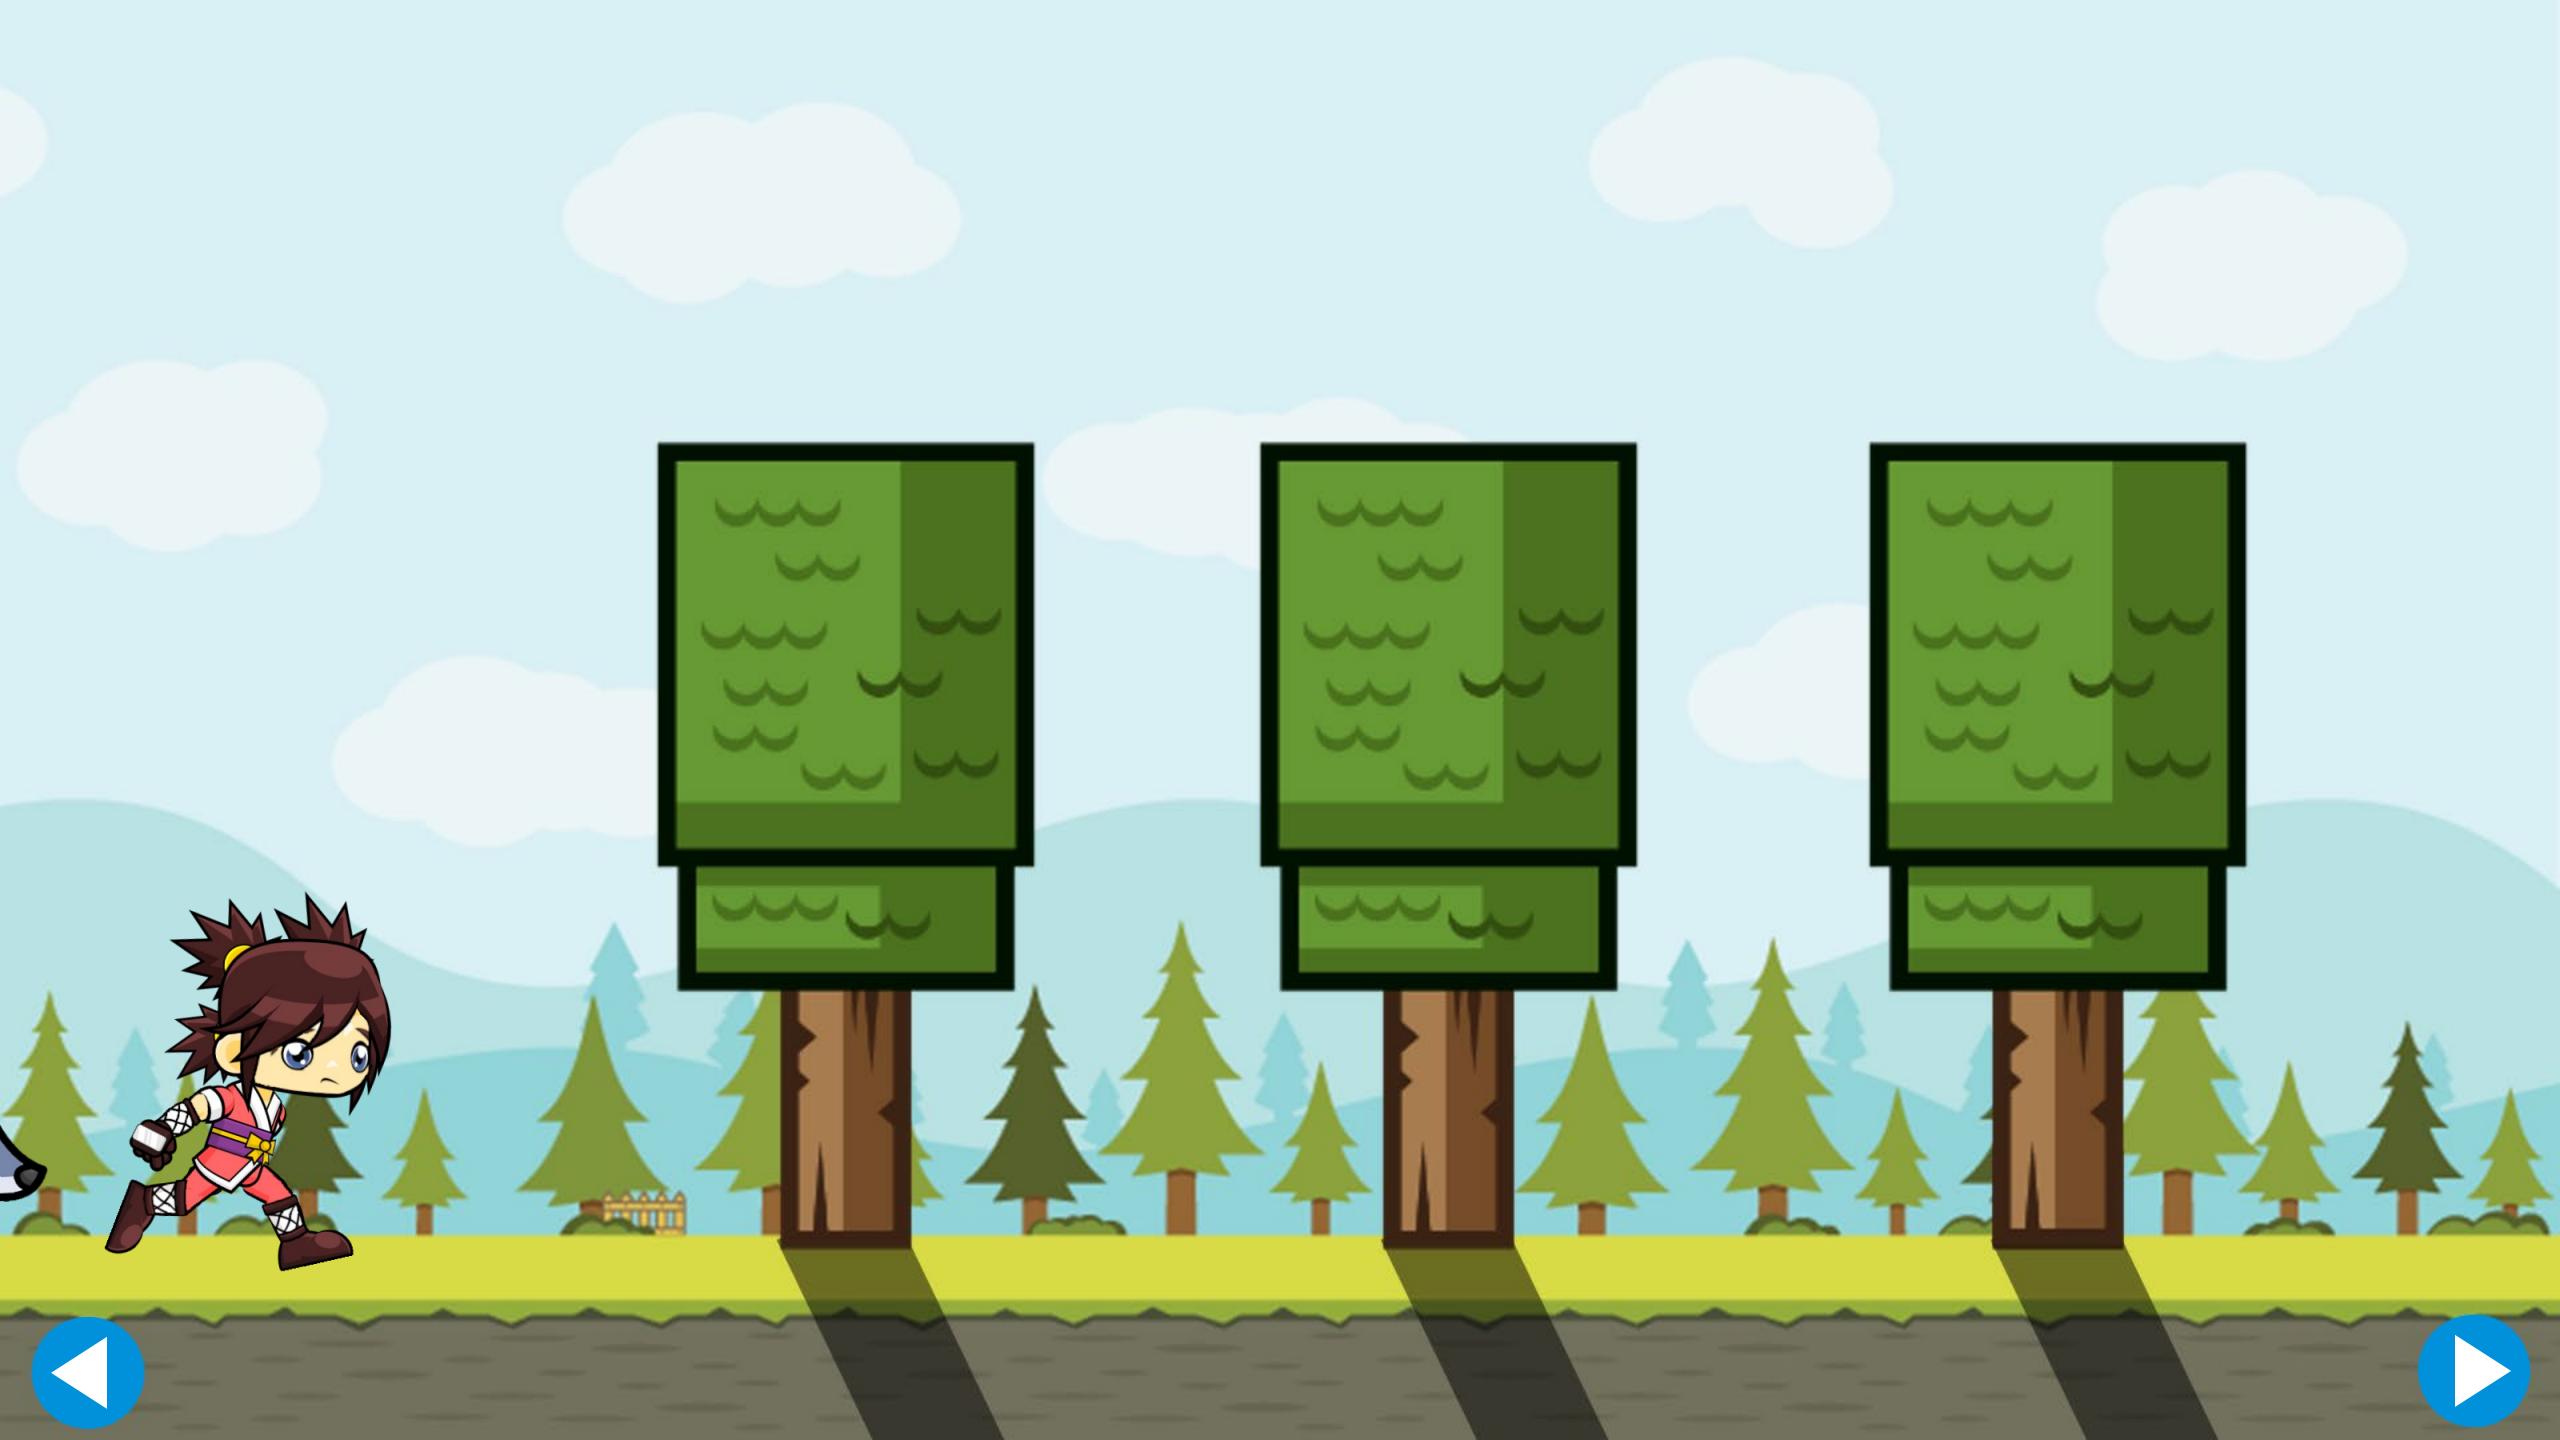

Sure, but first I need to grab sugar from my house.

I'll meet you at the woods.

STOP!!!

Oh no...

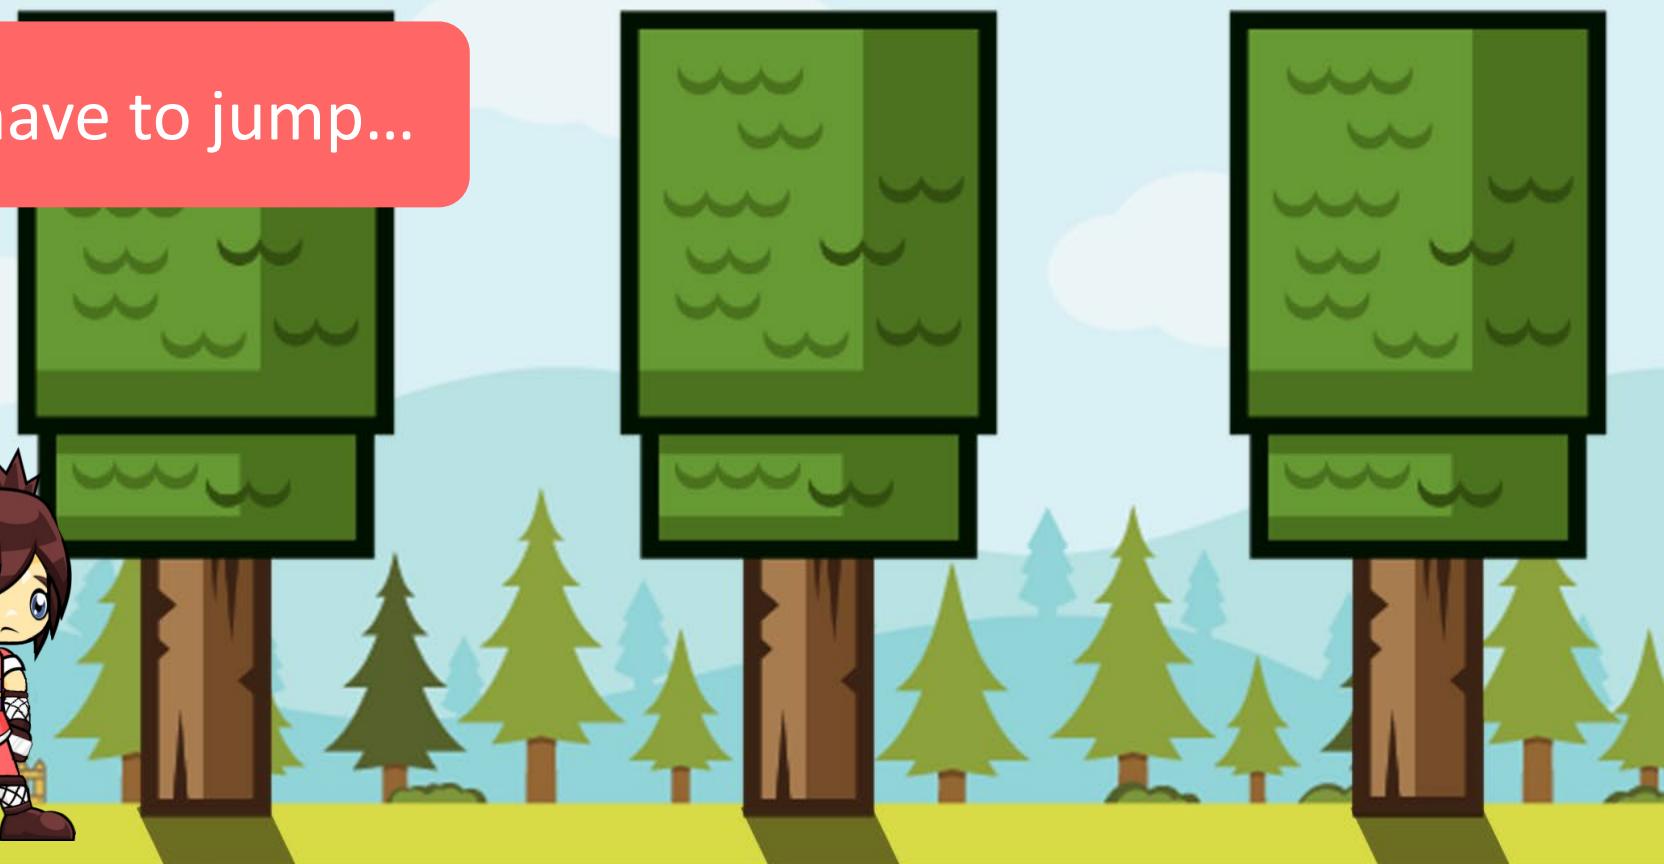

The shadows...

We can do this Joey...

We'll just have to jump...

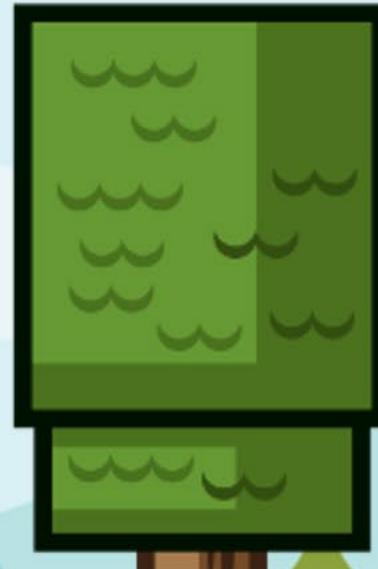

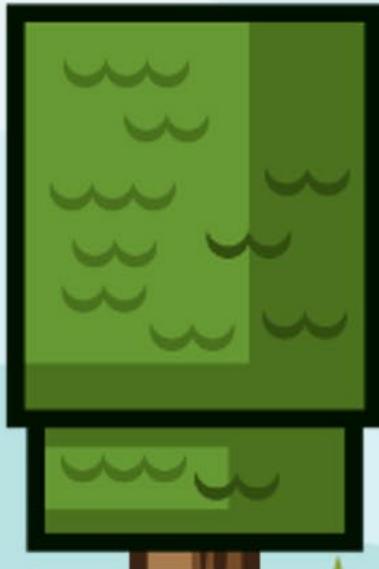

STOP!!!

Back up Joey!

You can't go in front of me!

Okay...

We can do this...

Eeeekkk!

Phew...

One down...

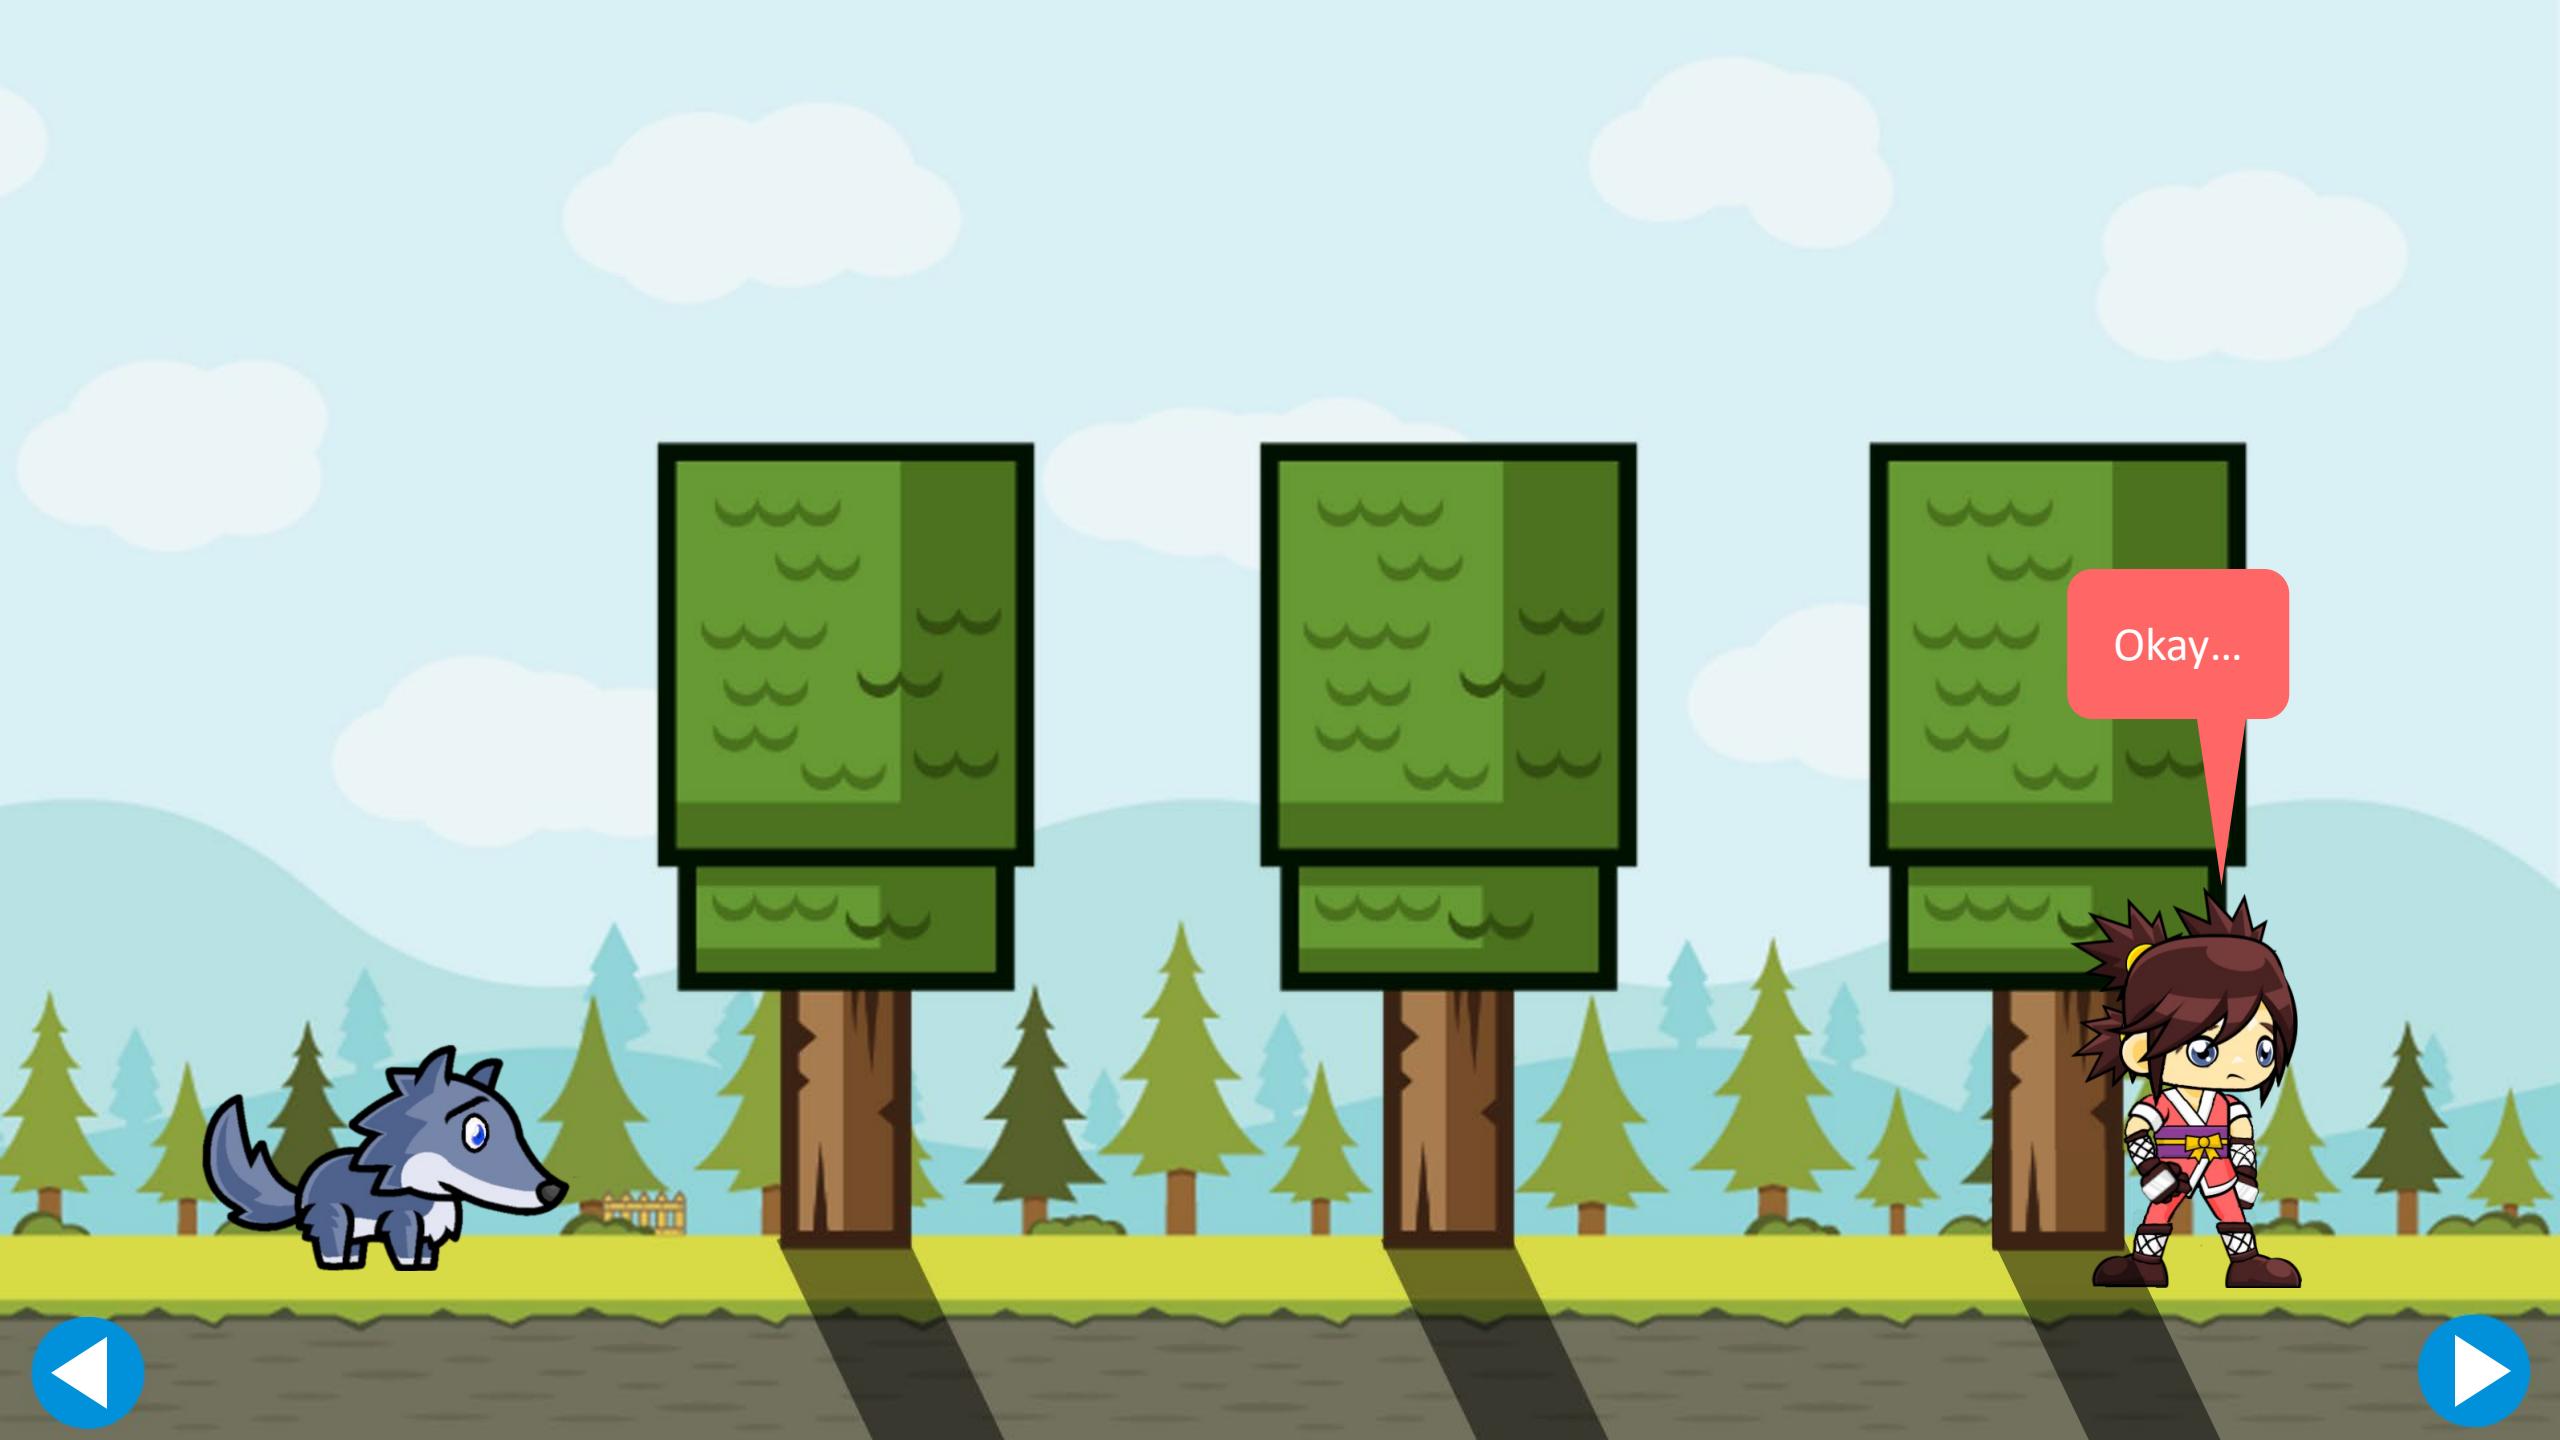

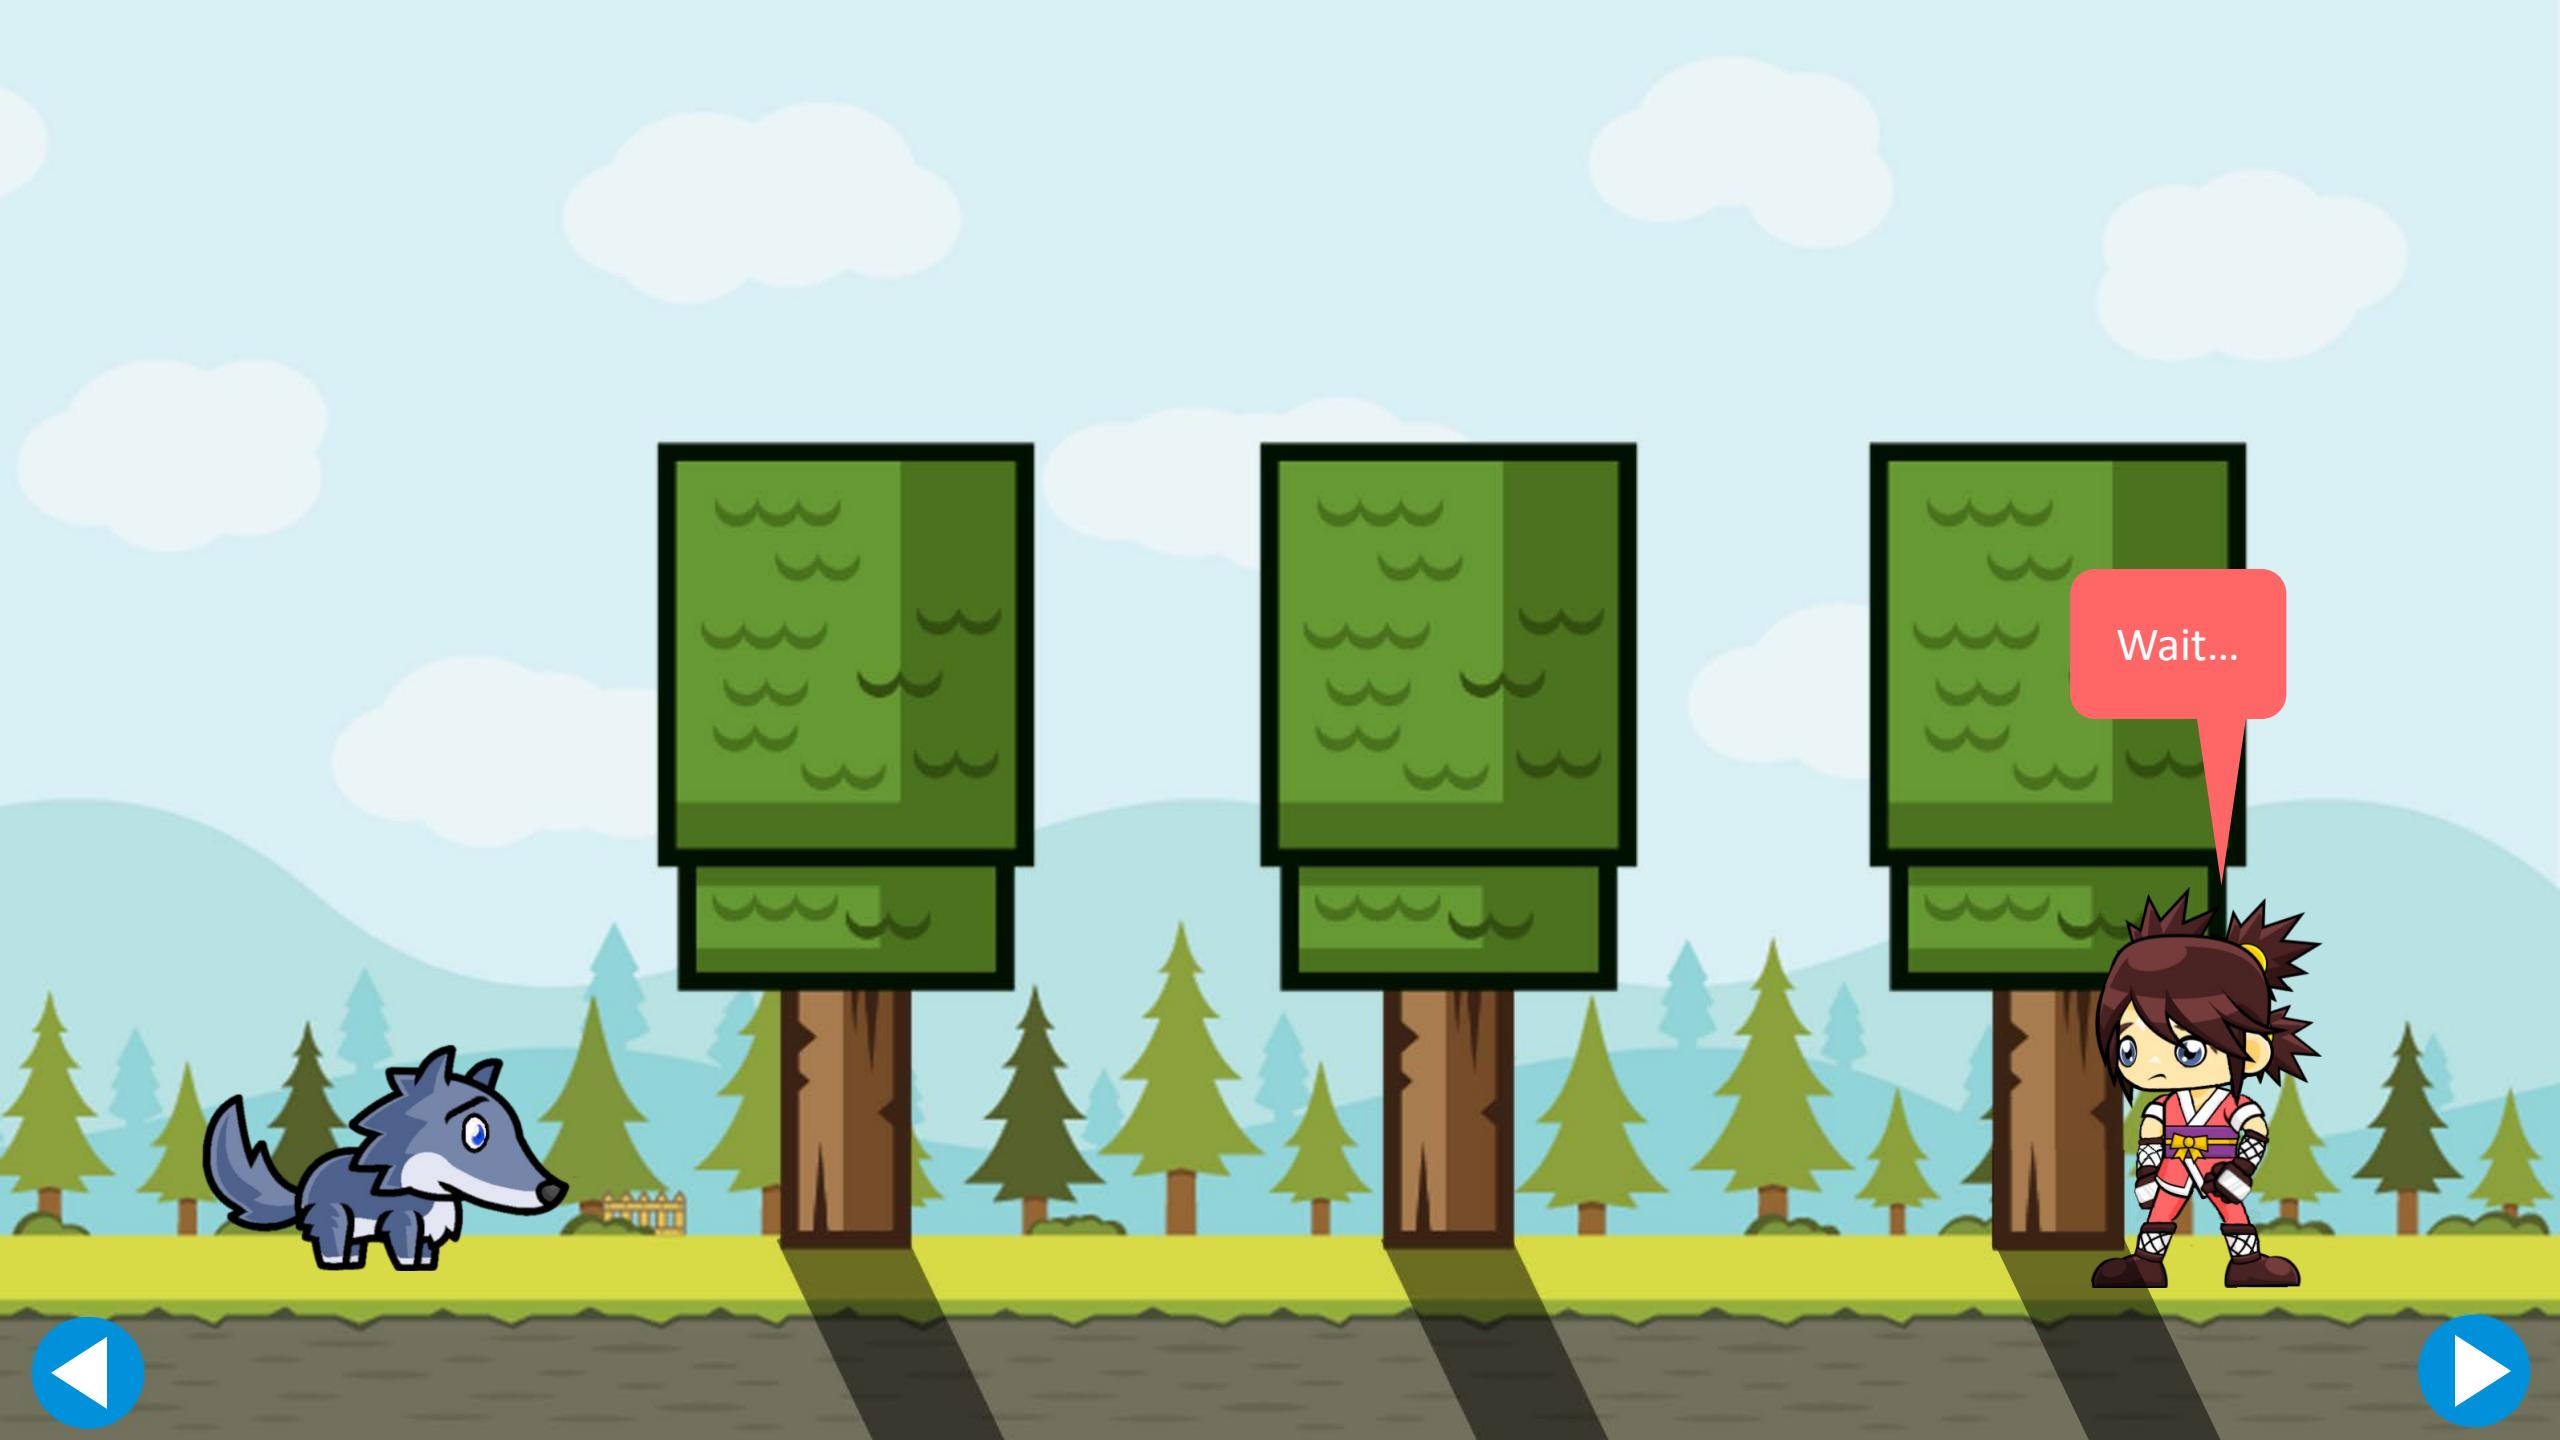

Oh no!

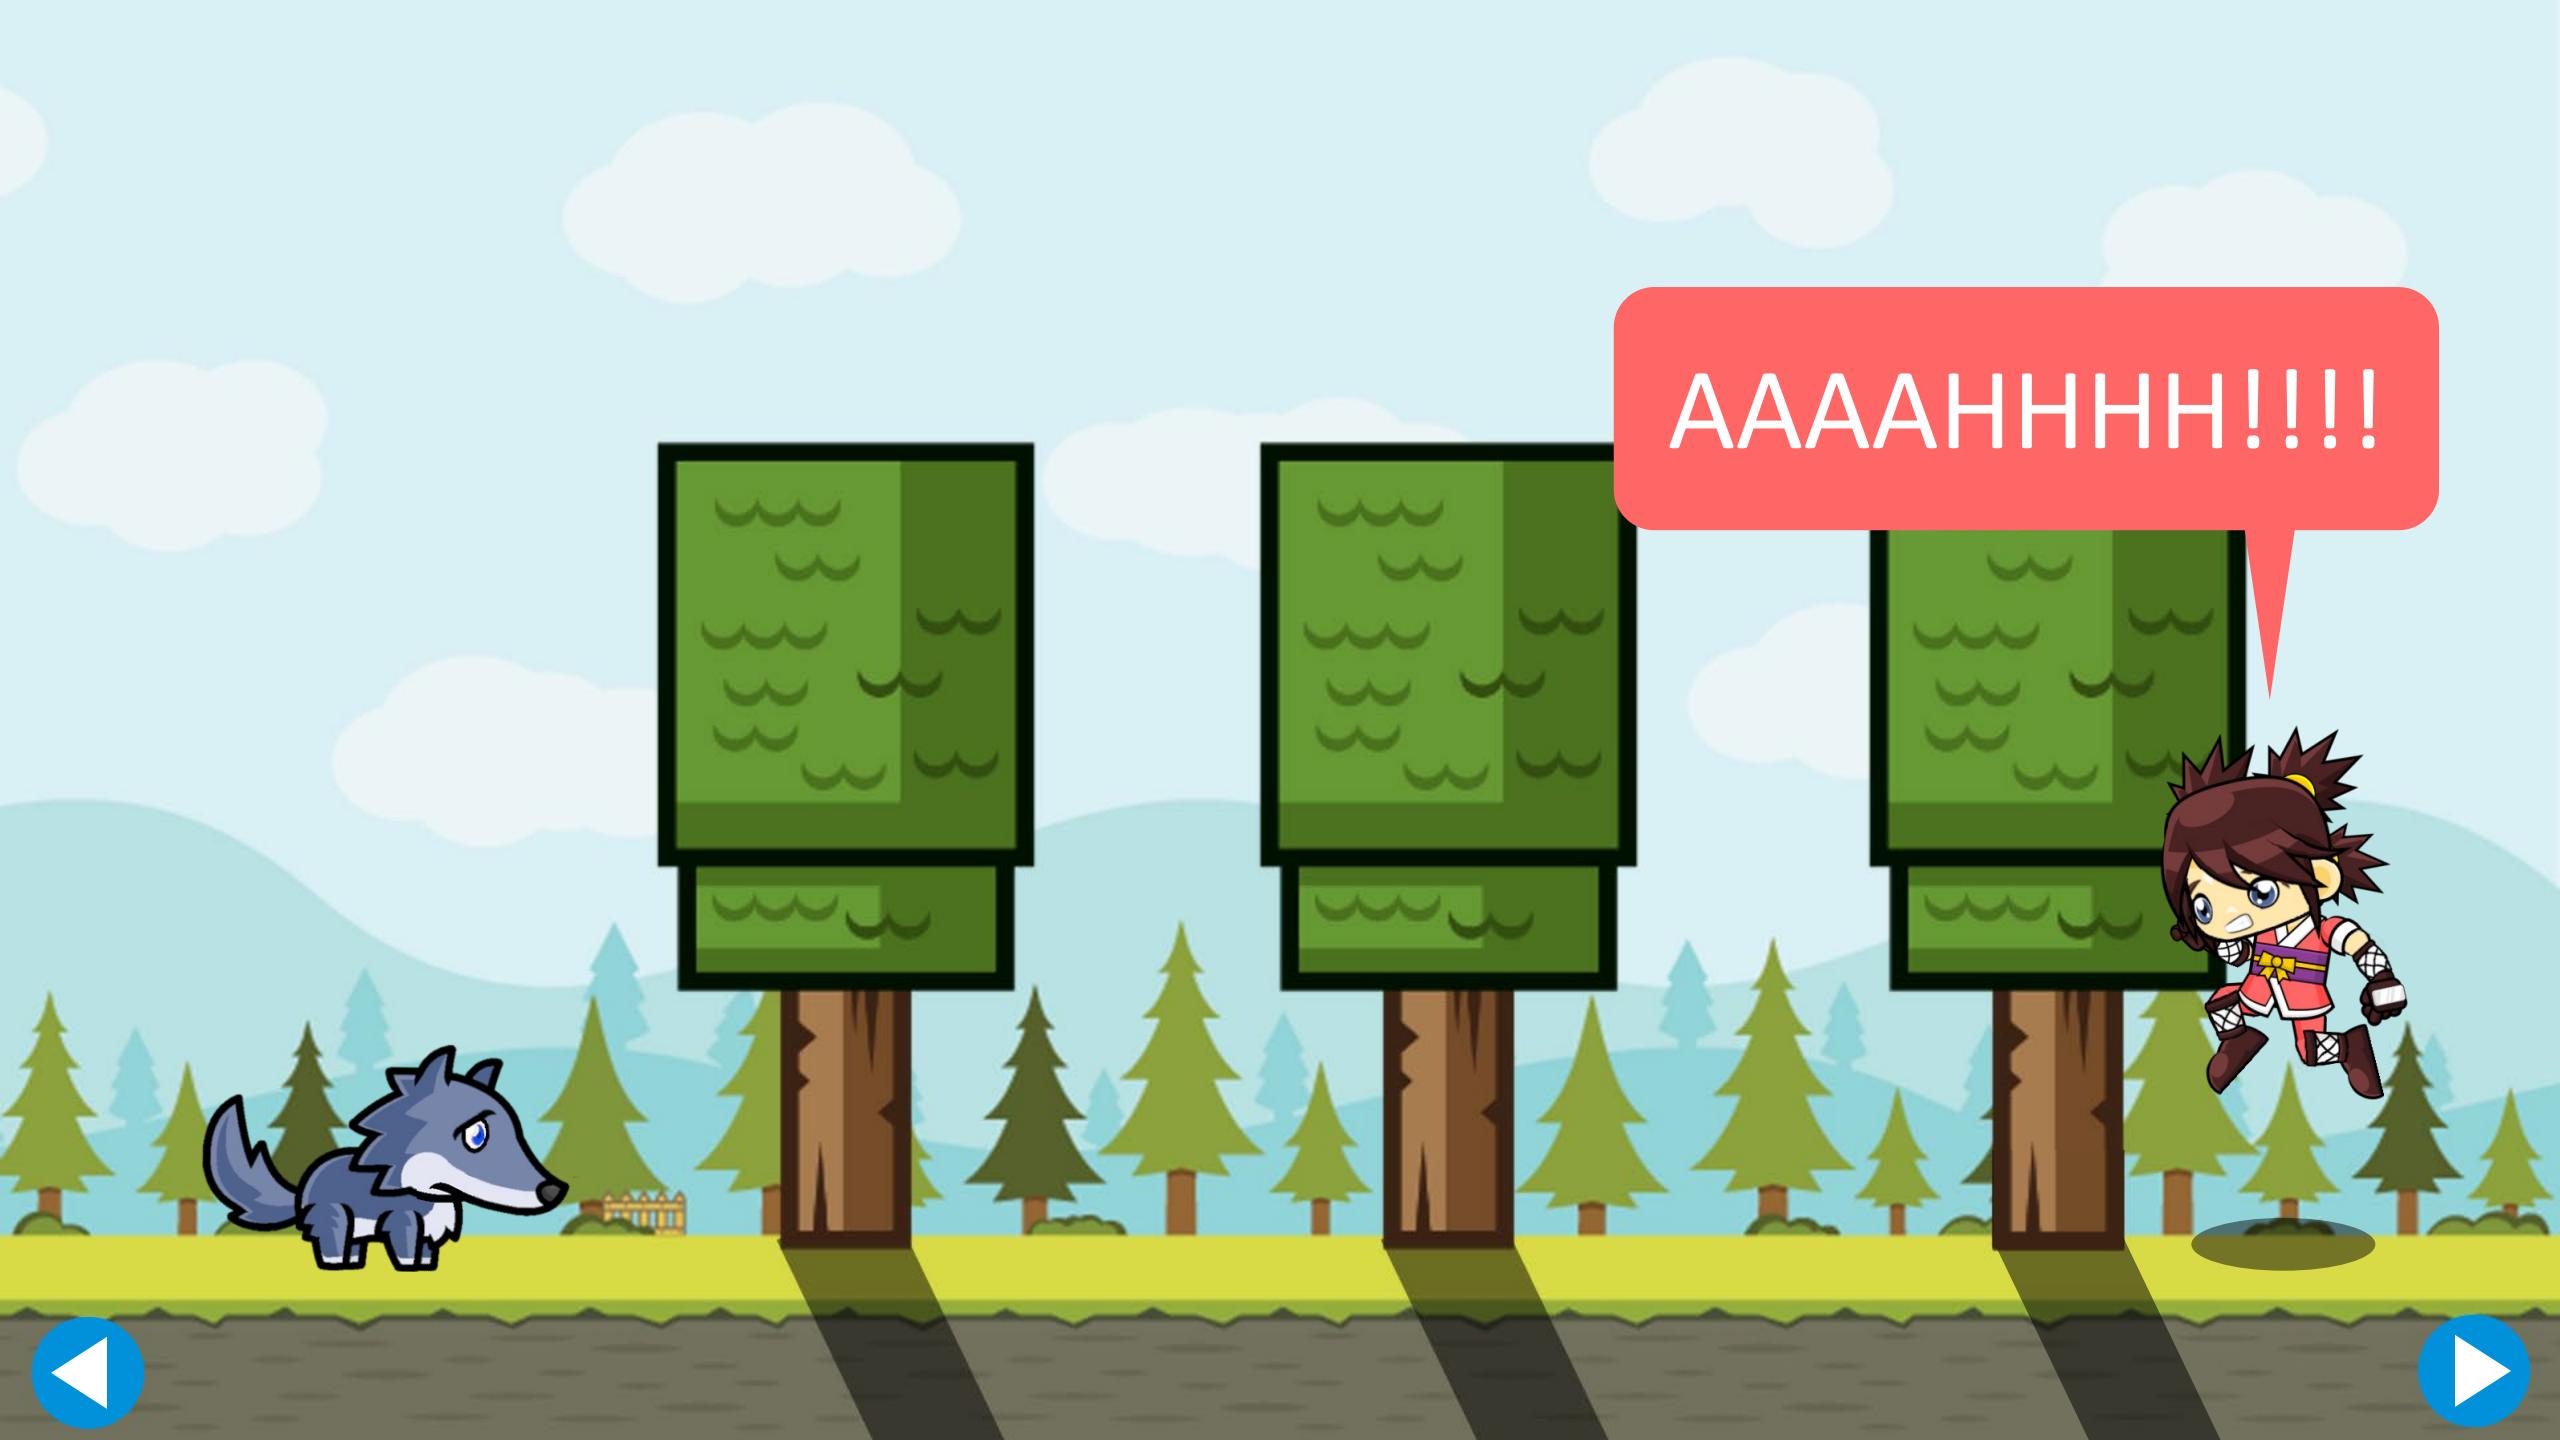

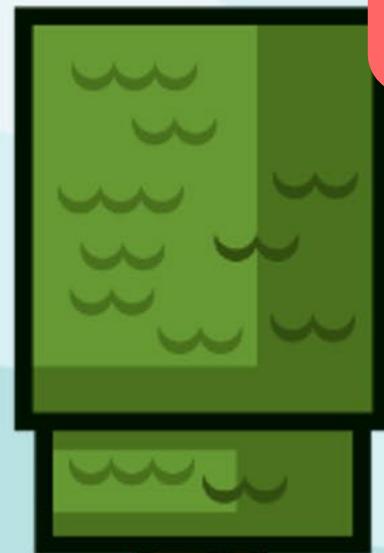

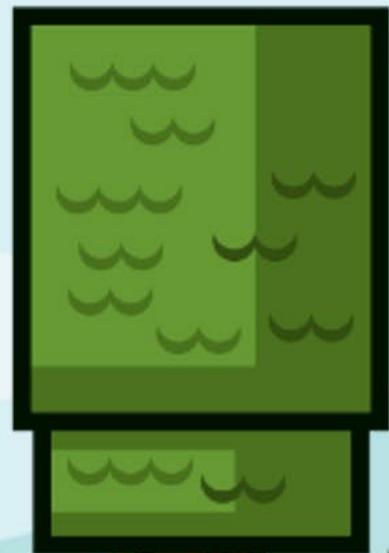

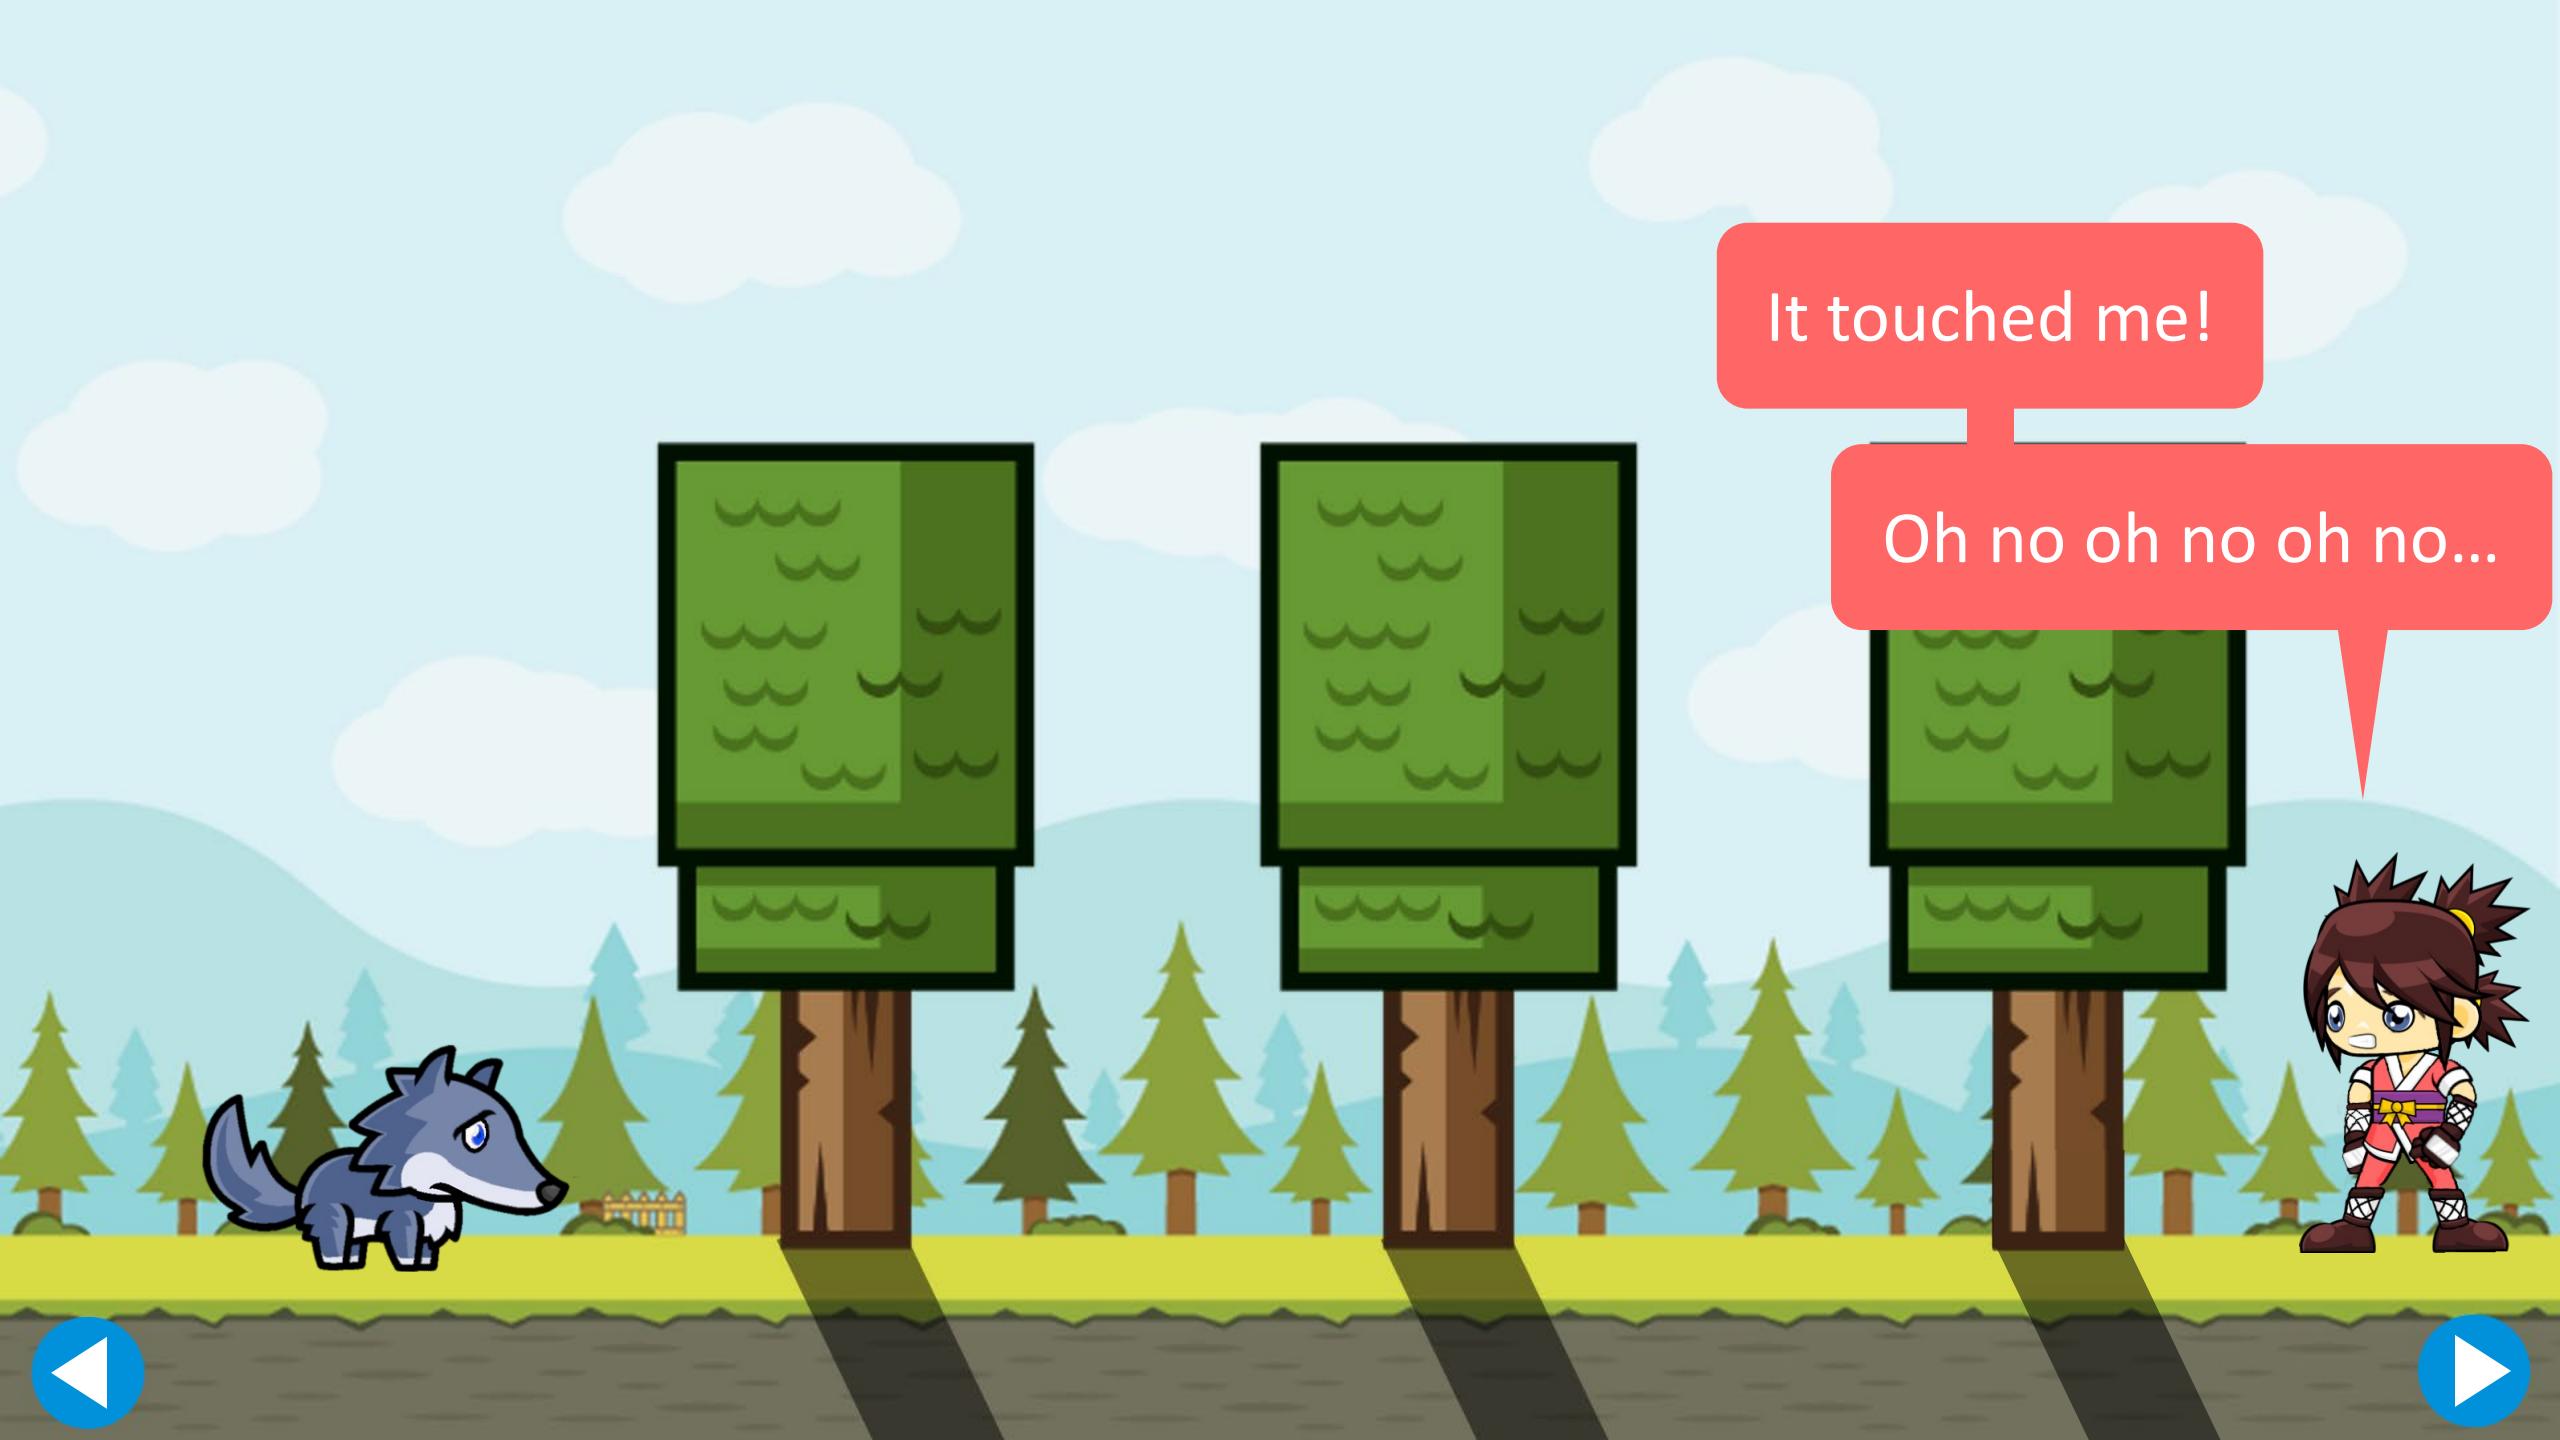

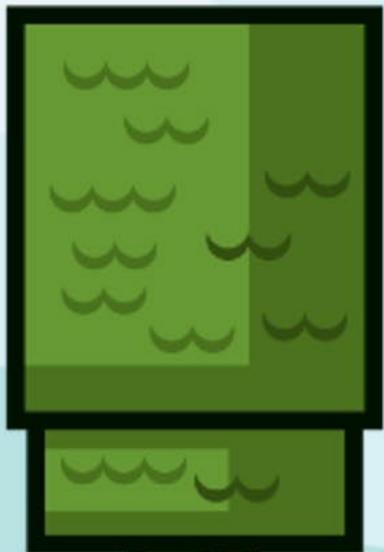

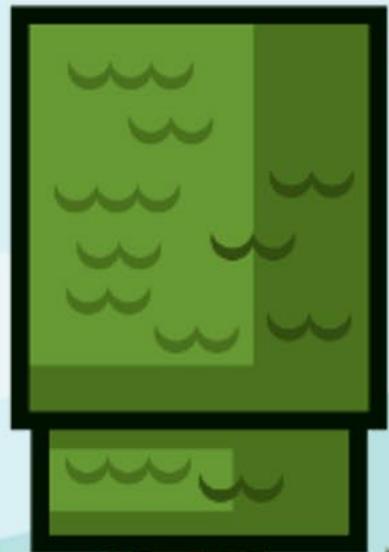

A AAAAHHHHH!!!!

It touched me!

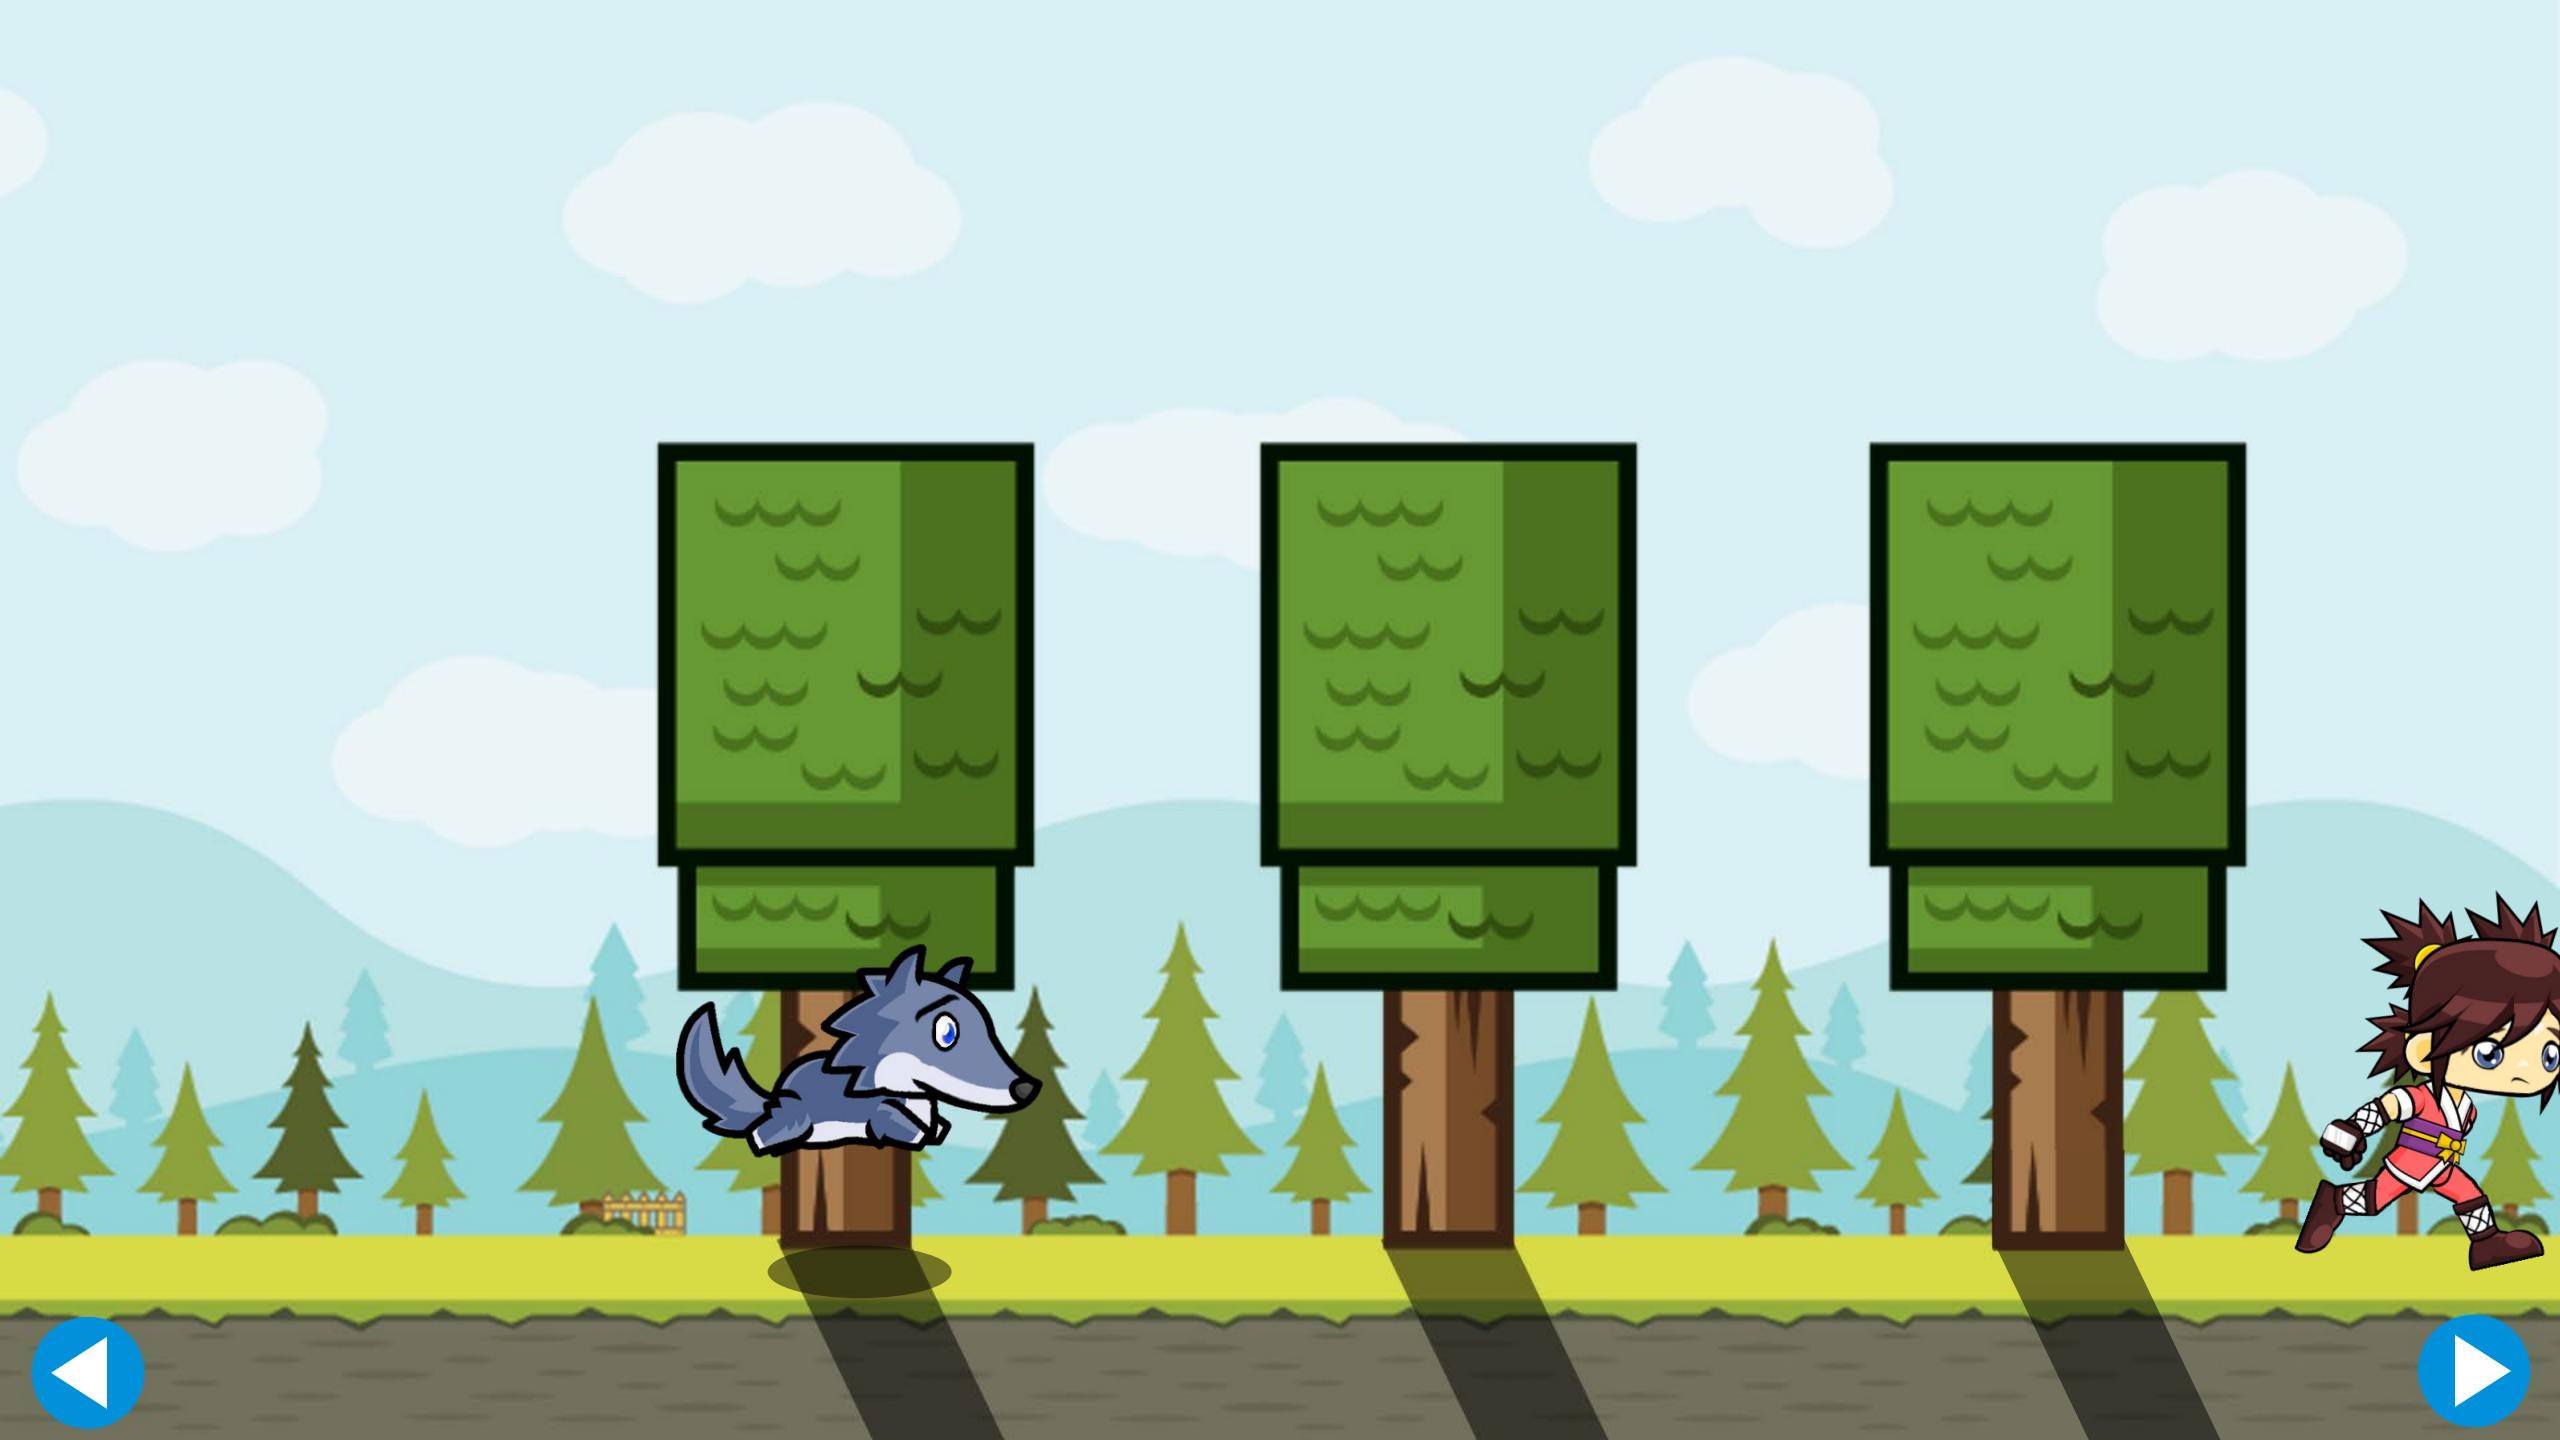

Oh no oh no oh no...

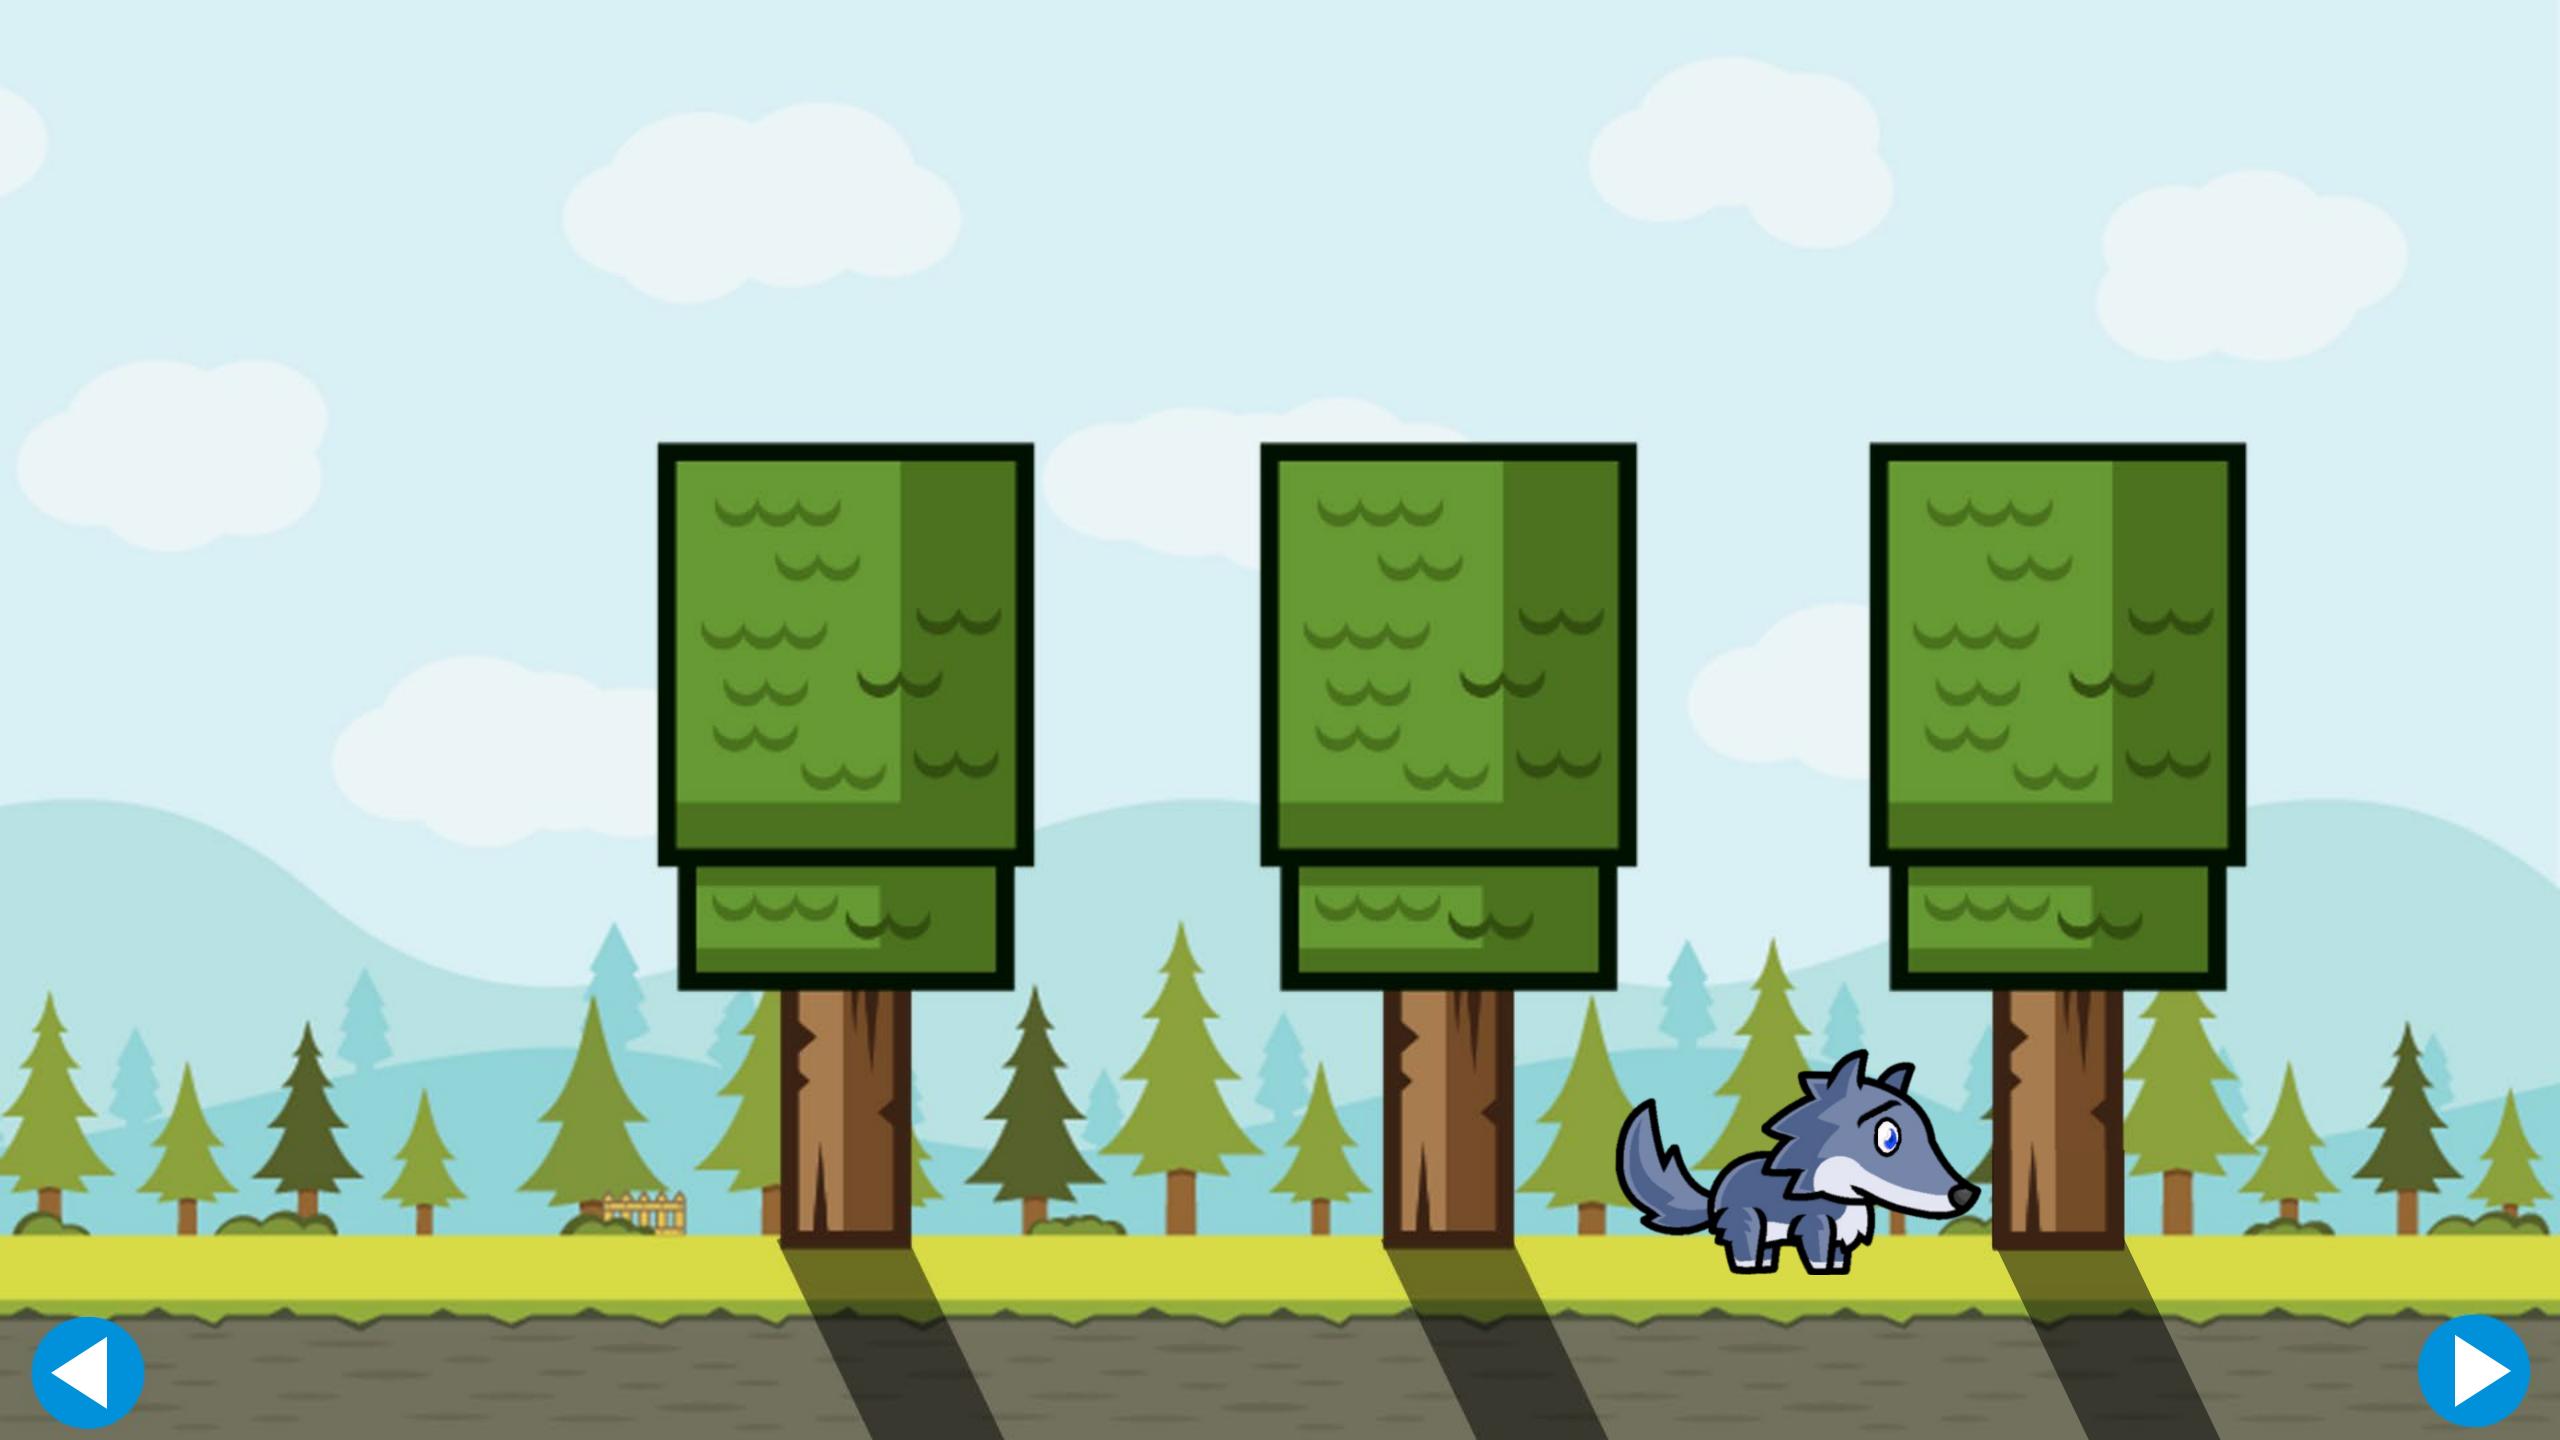

Hurry Joey!

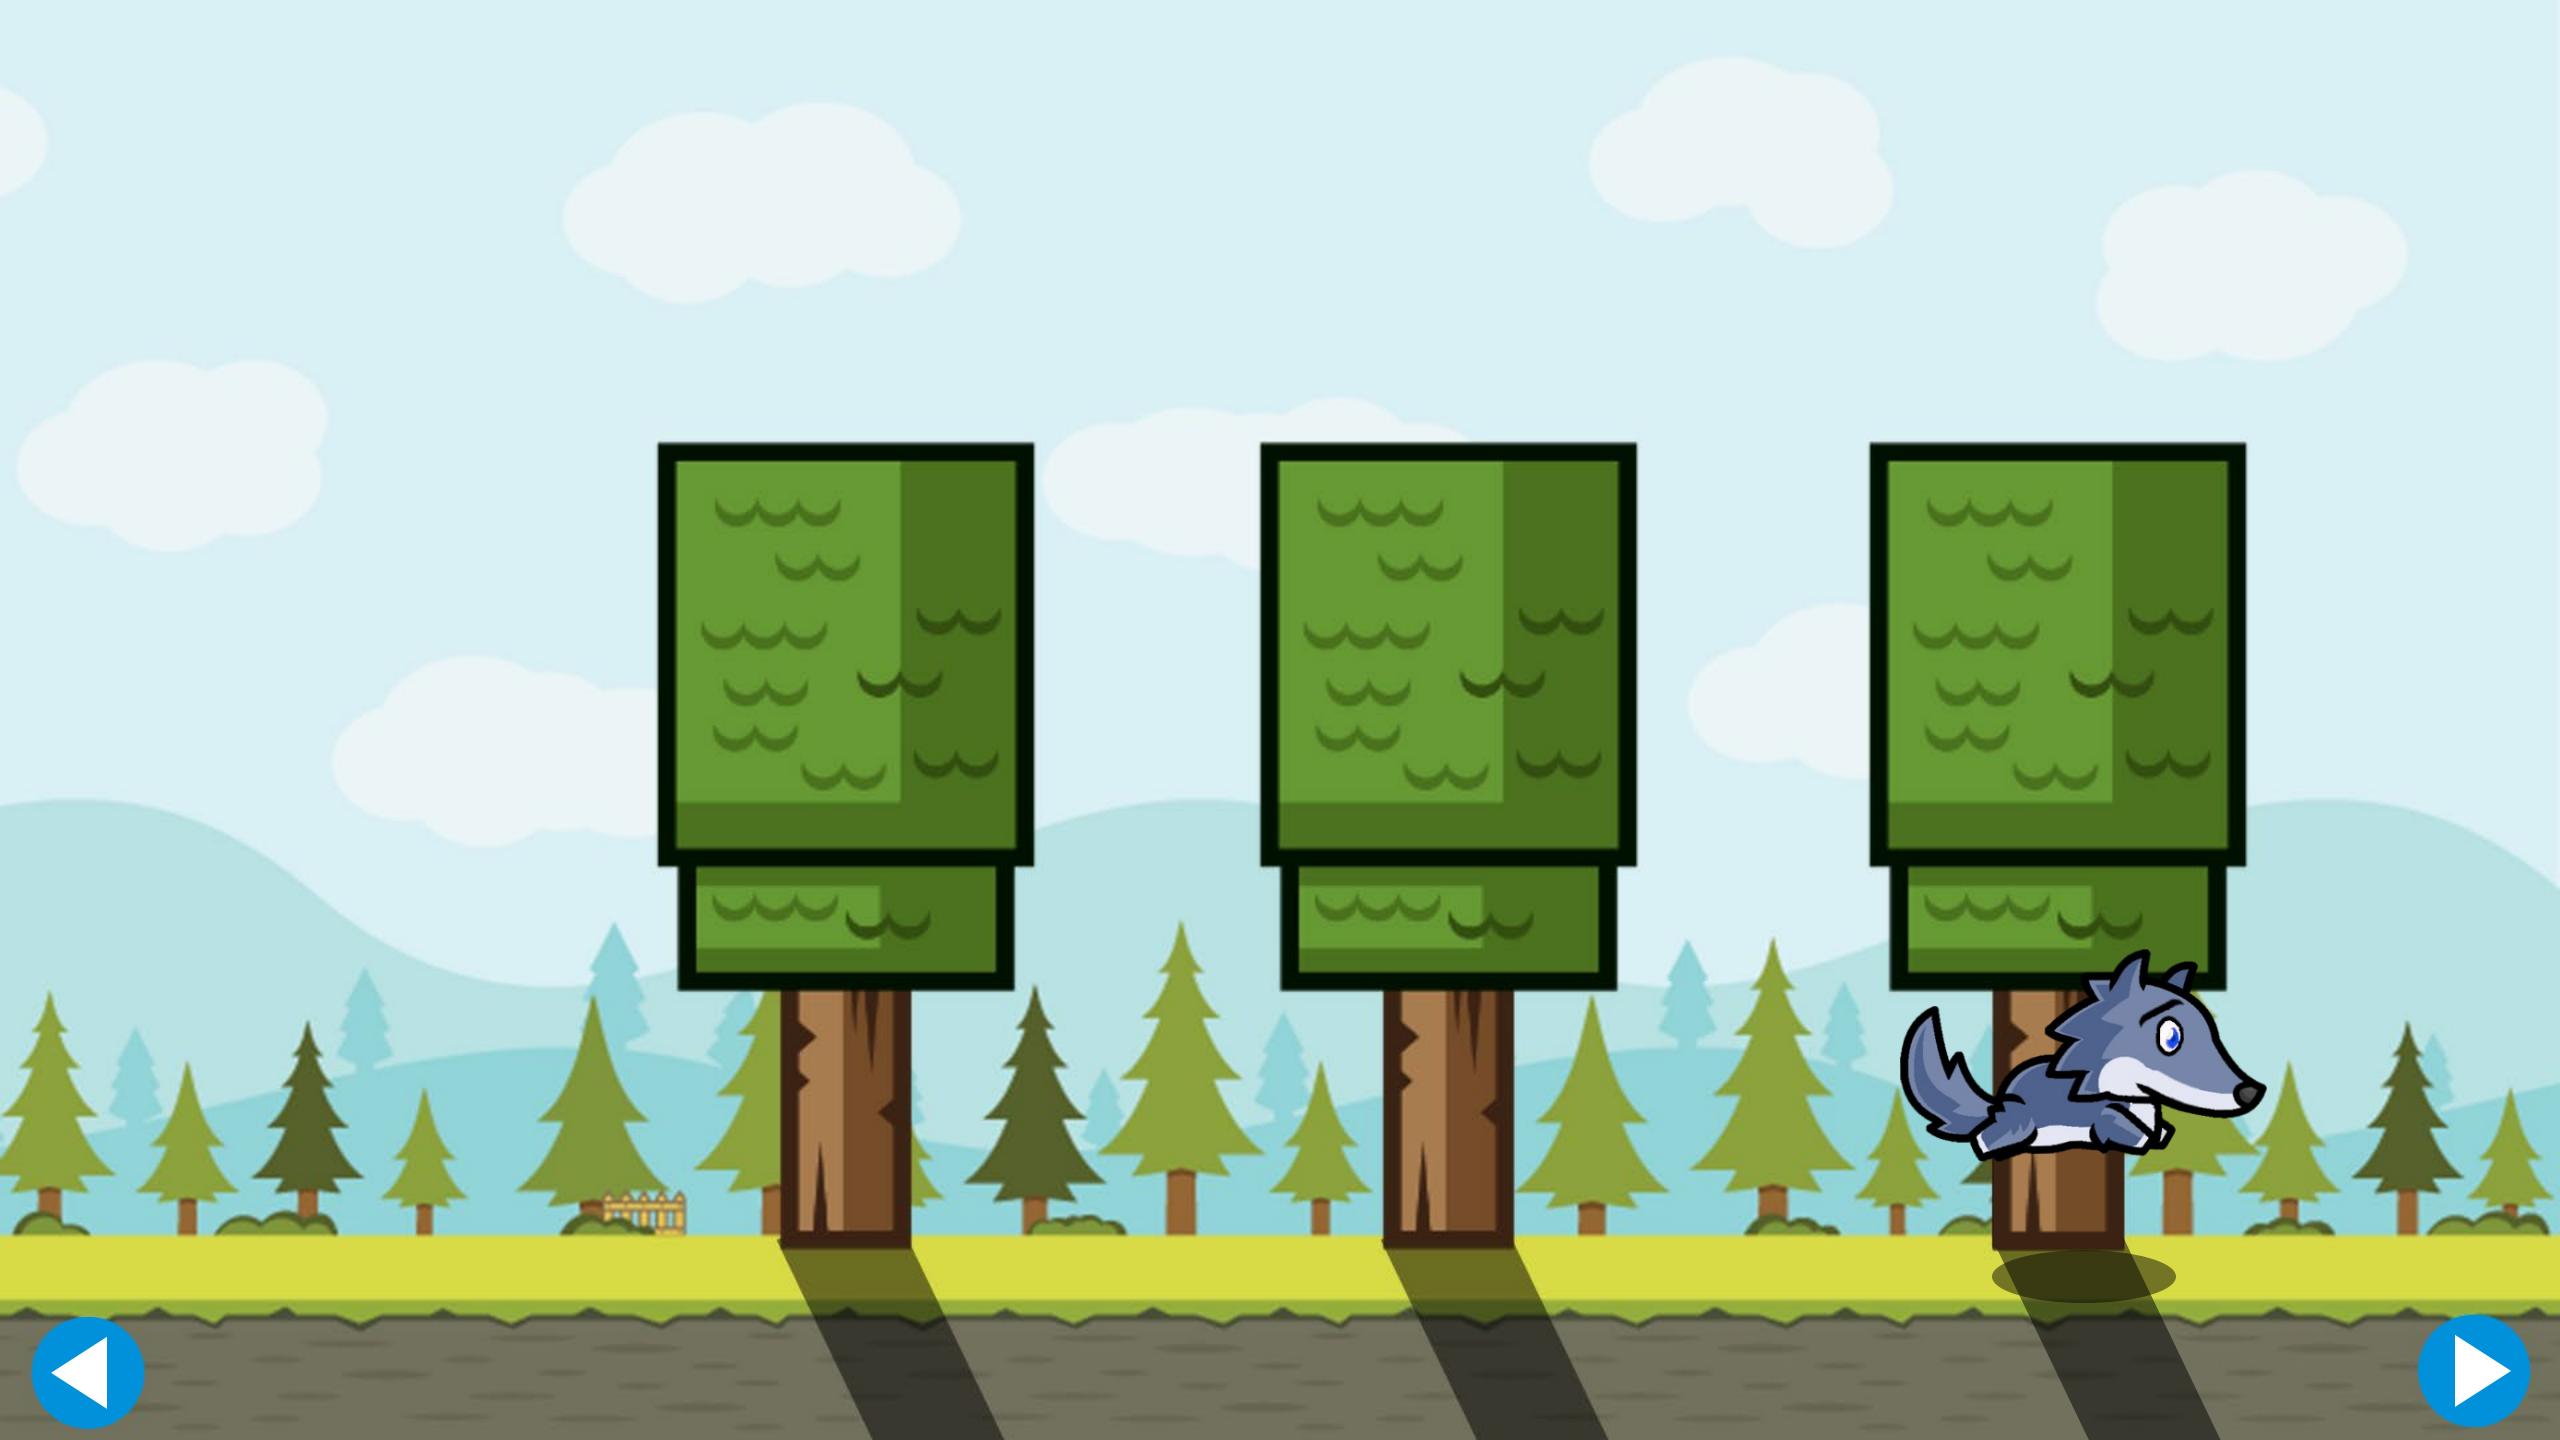

We have to get that sugar!

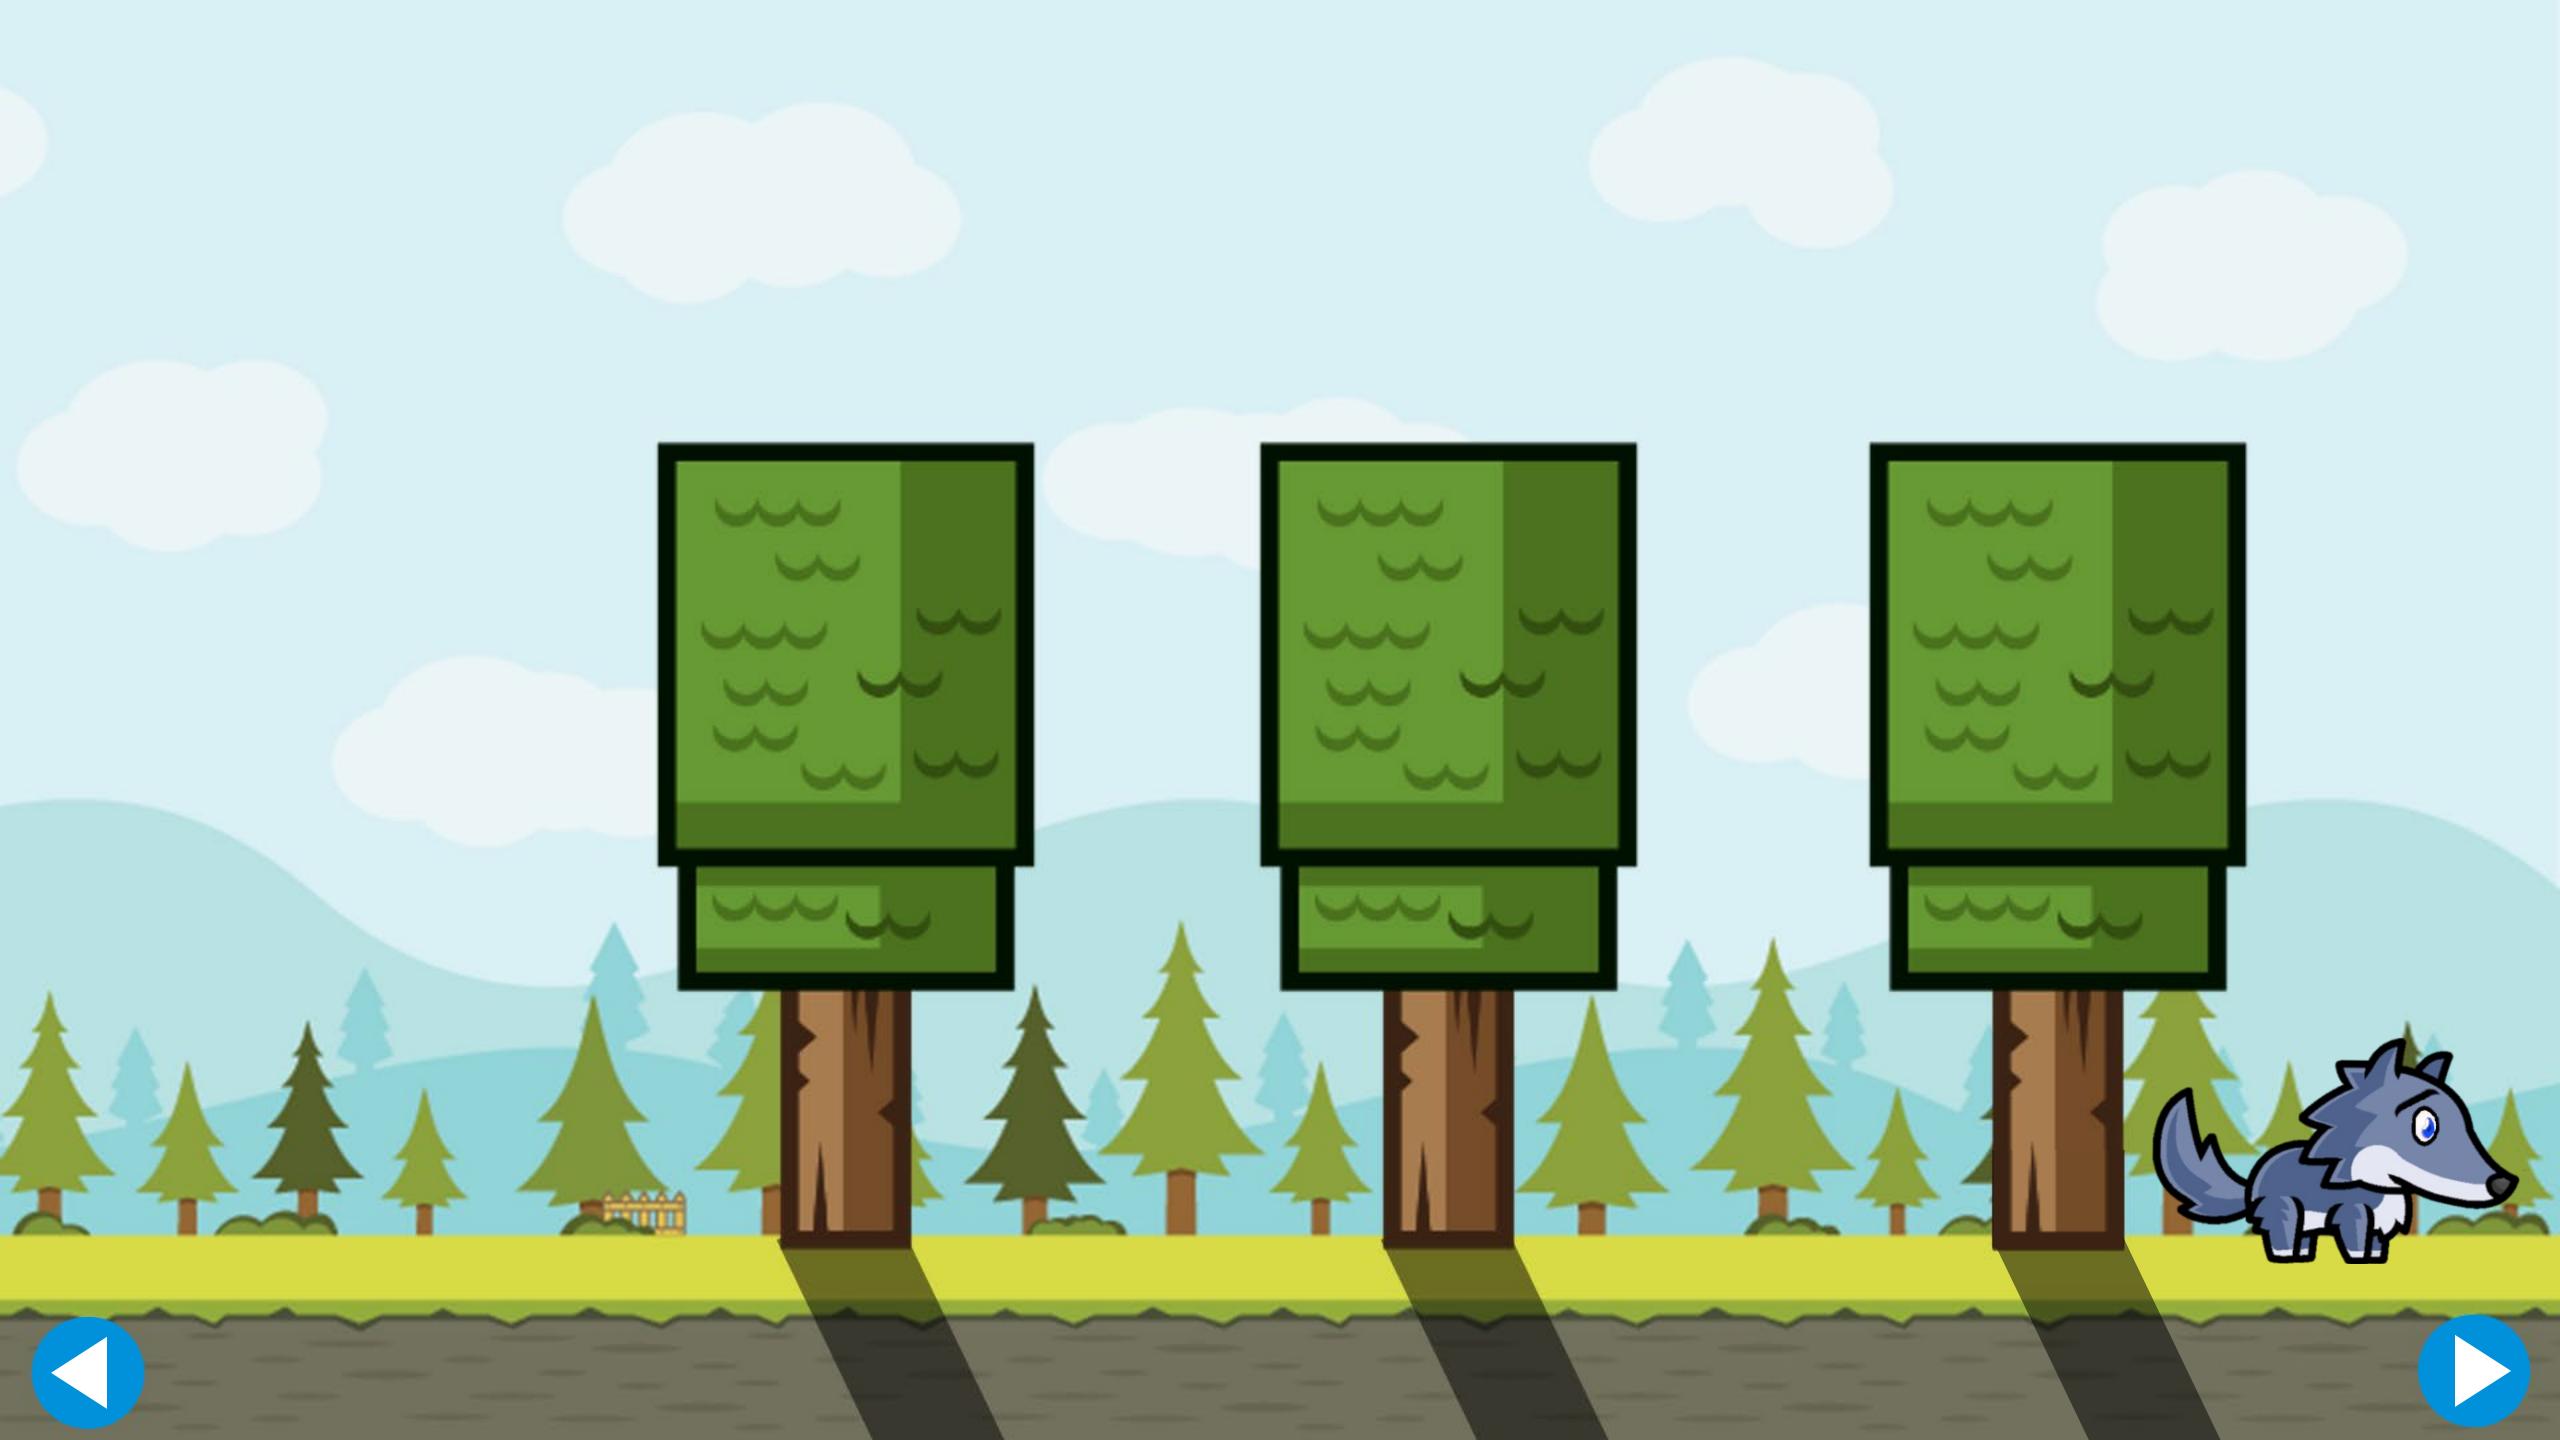

I'll sprinkle a little on my head for good luck...

There we go...

Much better...

Okay, let's meet Tom and Kate in the woods.

Hi Mia!

Check out these bats!

They are really funny!

Hey!

Cut it out!

Woah!

Cool I guess...

Can we keep going?

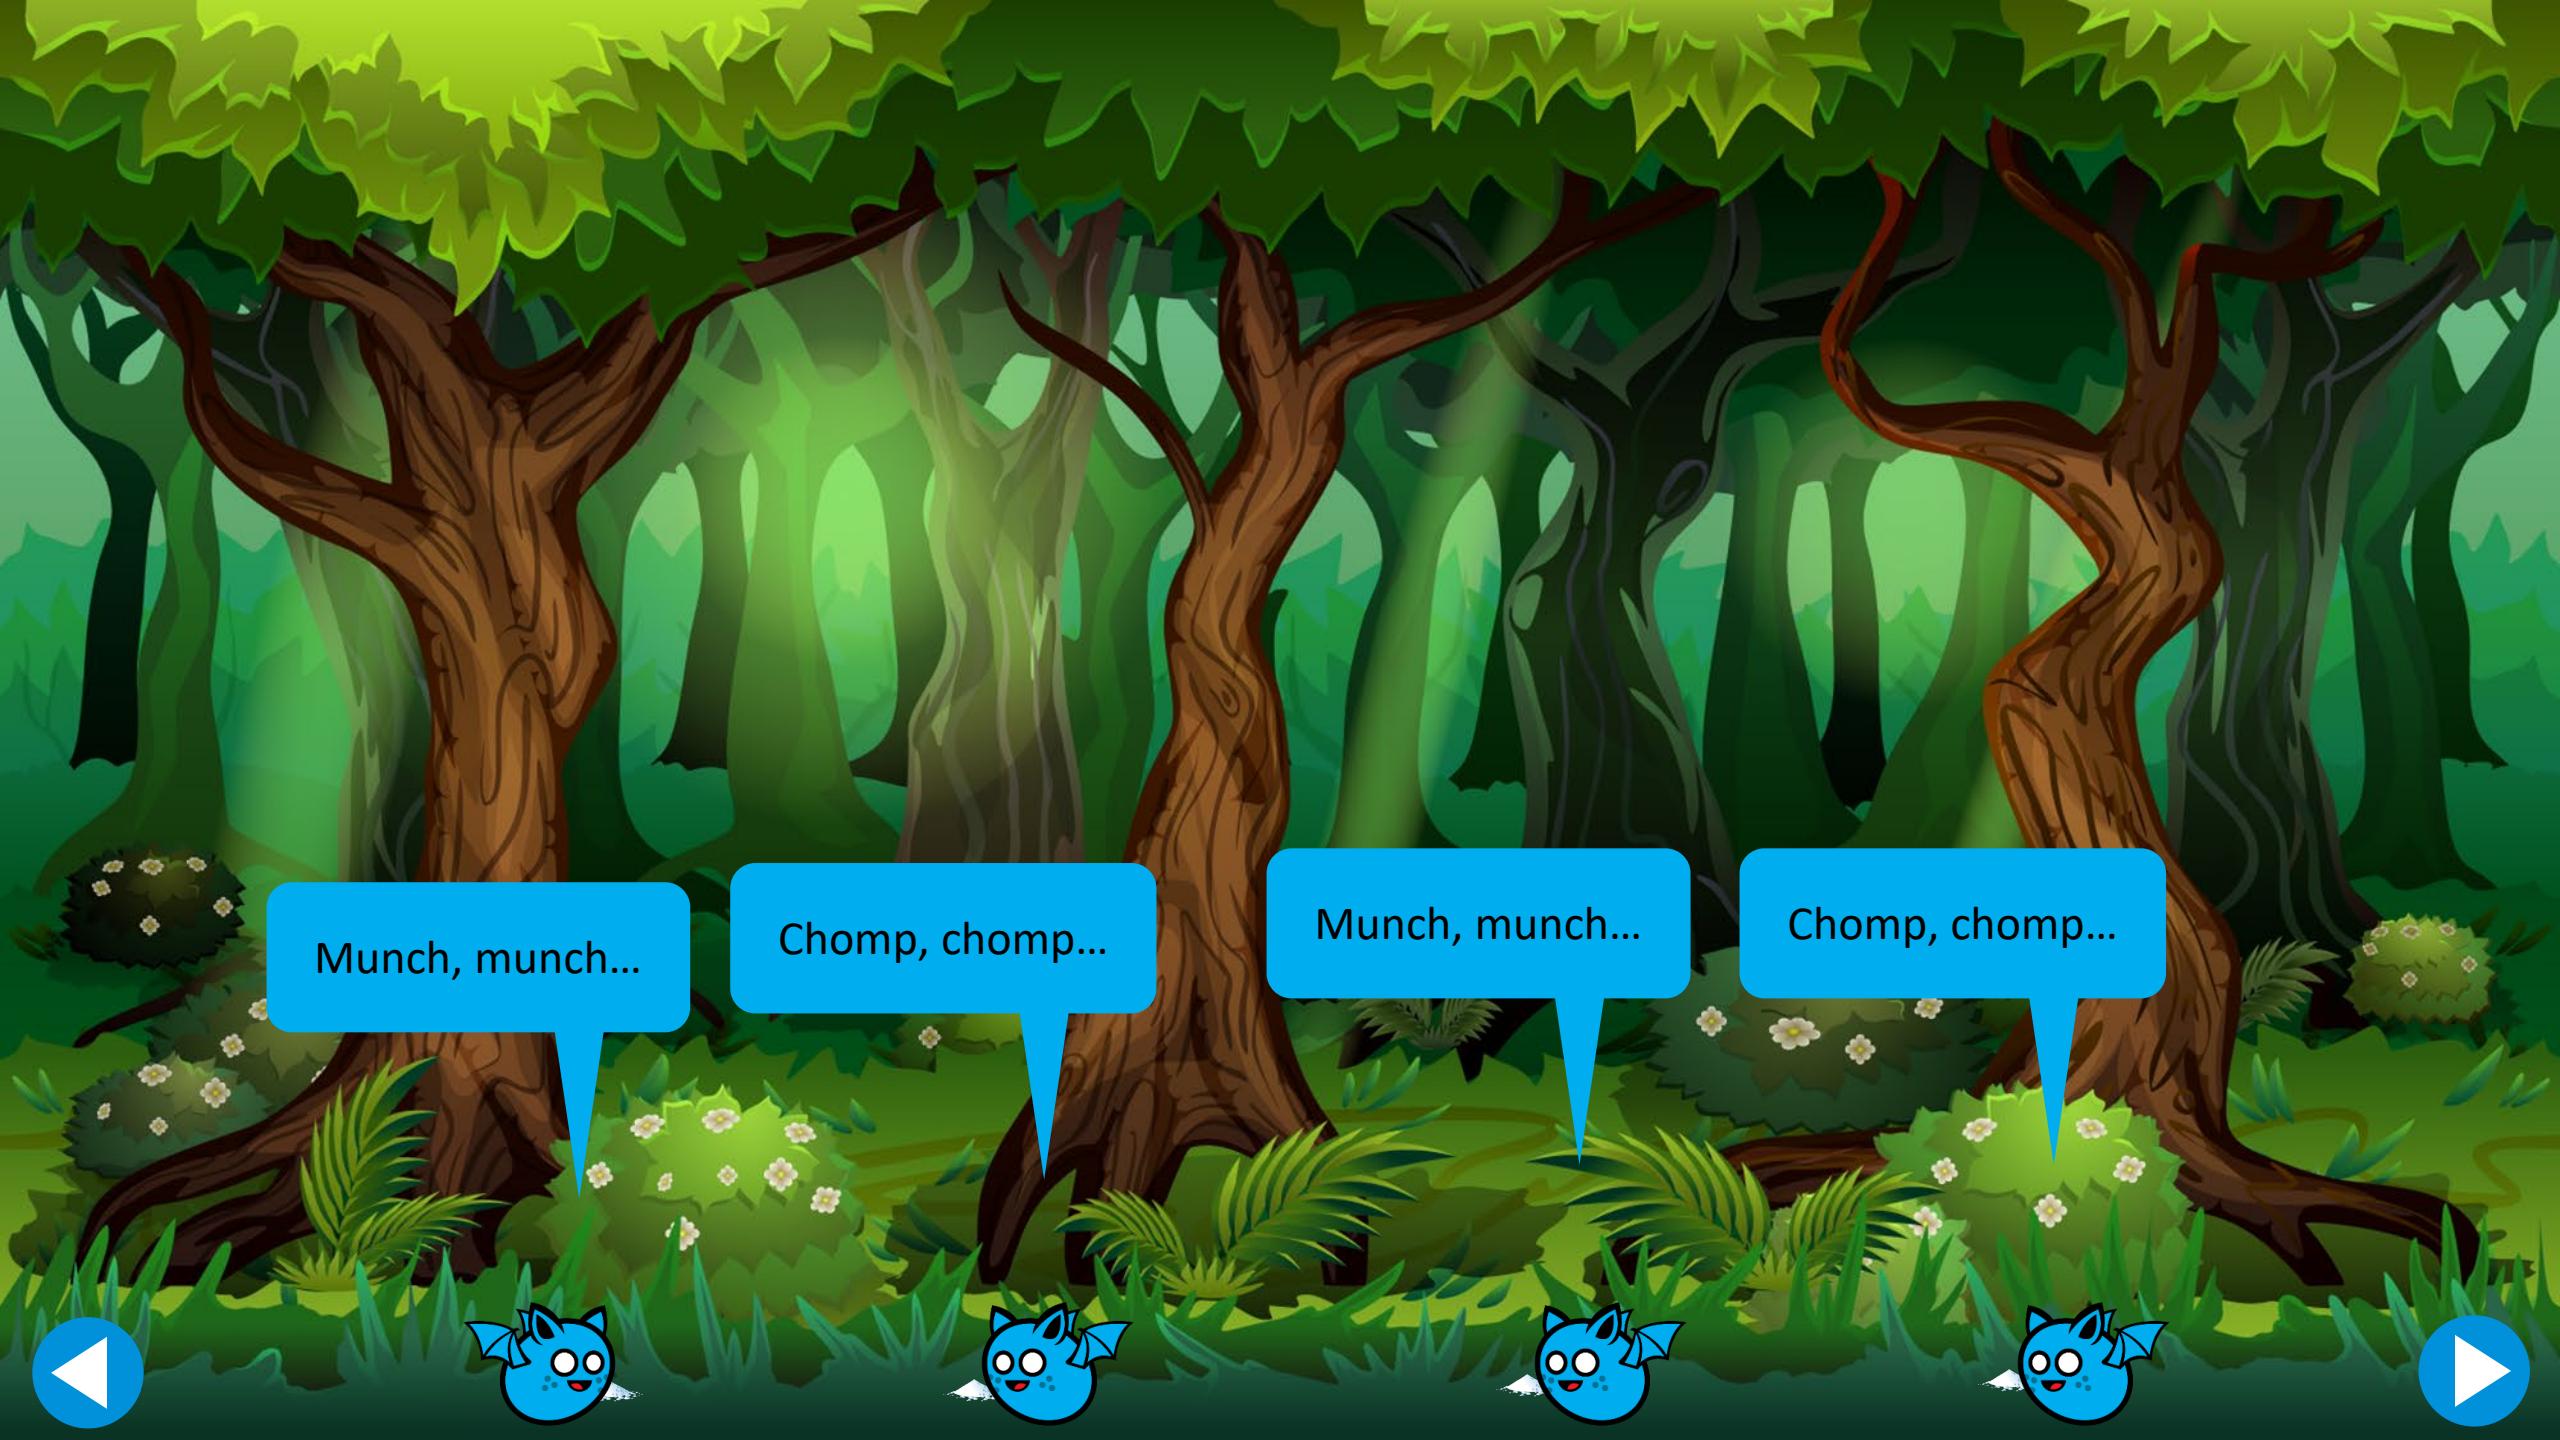

Munch, munch...

Chomp, chomp...

Munch, munch...

Chomp, chomp...

Woah!

What is this place?

I have never seen this before!

Waaaaiitttt...

Isn't the whole forest floor covered by tree shadows?

Yeah, I guess it is...

Then I just walked through so many tree shadows!

I need more good luck sugar on my head, right now!

NO, MY SHAKER IS EMPTY!

I have been spilling sugar!

Ruff!

AND NOW JOEY IS IN FRONT OF ME!

AAAAAAHHHHHH!!!!

So much bad luck!

Something terrible is going to happen!

Mia, haven't you walked through the forest before?

And hasn't Joey walked in front of you lots of times?

Yeah...

I guess...

Did anything terrible happen?

N-no, I guess not...

B-but Lily said...

Well maybe Lily is wrong.

Everyone is wrong sometimes, even smart people!

Nothing bad has happened yet.

So how about we keep walking?

O-okay...

A few hours later...

You were right!

Nothing bad has happened!

I guess that stuff Lily told me isn't true...

A vibrant green forest setting featuring several large, gnarled trees with thick trunks and sprawling branches. The ground is covered in lush green grass, small white flowers, and low-lying bushes. In the lower-left foreground, two characters wearing brown cowboy hats and matching brown leather vests stand facing each other. The character on the left is a dark-skinned male, while the one on the right is a light-skinned female with blonde hair. In the lower-right foreground, another character stands alone, looking towards the left. This third character has dark purple hair styled in a spiky mohawk and is dressed in a red and white patterned outfit. A blue speech bubble is positioned above the two characters in the center-left, containing the text "Yeah, probably not...".

Yeah, probably not...

Too bad I spent the whole day being afraid...

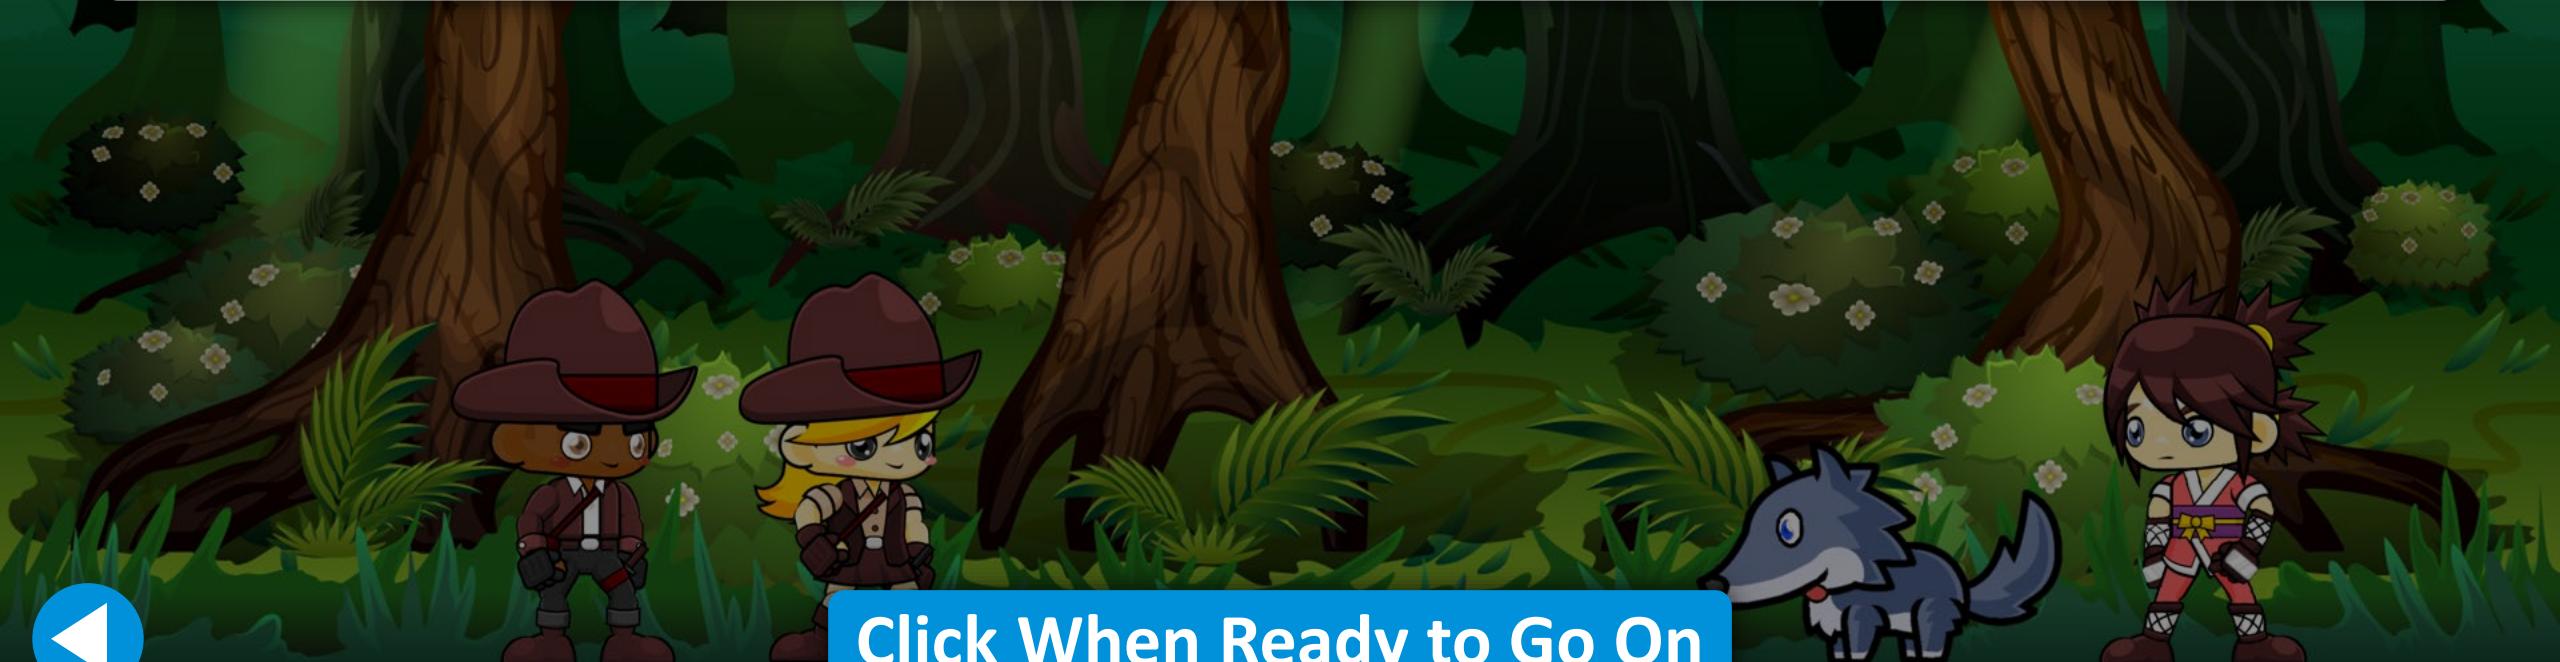

I wish I would have checked things out for myself...

Stop and Think:

Mia decided to trust Lily's advice about bad luck instead of testing it out herself?

What bad things happened because of that choice?

AAAAAHHHH!!!!

She didn't have much fun because she was scared all day.

She did a lot of silly things that mostly made things worse, not better.

STOP JOEY!

She made things less fun for the others, especially for Joey!

If you want, you can go back and see what would have happened if a different choice was picked.

Hmm, I guess that is a good idea...

I'll check the ideas out for myself...

See you later!

Okay Joey, let's step in these shadows.

If Lily is right, something bad should happen.

Okay, I did it...

Nothing yet..

What if I walk through it?

Nothing...

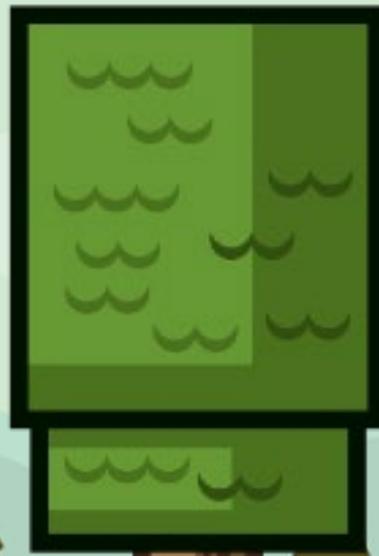

Well, what if I stamp on it?

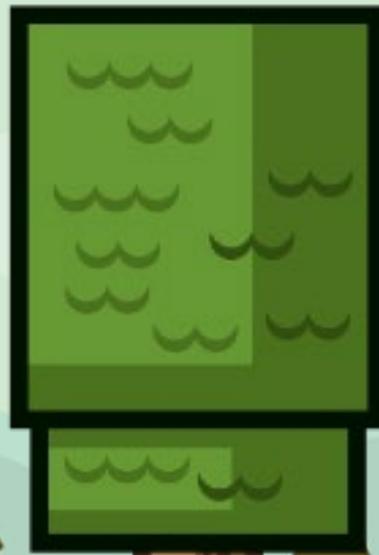

Ruff!

Ruff!

Come on Joey!

Stamp on the shadows with me!

Ruff!

Whee!

Whee!

Well looks like stepping on tree shadows is safe!

Ruff!

Let's go spill some sugar...

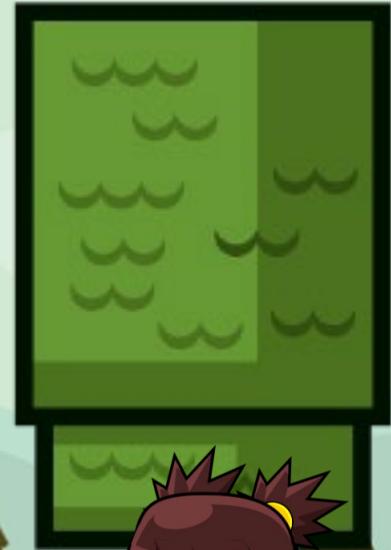

And you can go in front Joey!

Ruff!

Okay, let's spill some sugar!

Shake, shake...

Shake, shake, shake...

Shake, shake, shake, shake...

That's all of it!

We stamped on tree shadows, spilled a bunch of sugar, and you walked in front of me all the way here!

And still nothing bad happened!

I guess the bad luck stuff Lily told
me wasn't true after all.

That's a relief!

Being afraid of tree shadows and Joey walking in front of me was not fun!

WOOF!!

Stop and Think:

Kate decided to investigate the “bad luck” herself.

What good things happened because of that choice?

Mia and Joey had fun testing their ideas.

Mia figured out she doesn't have to be afraid of those silly things.

If you want, you can go back and see what would have happened if a different choice was picked.
